Re: **Notice of Interference Acceptance**

Dear Rick:

I understand that Federated Rural Electric Association ("FREA"), licensee of TV Translator Station K41EG-D, Jackson, MN (FCC Facility ID 21287) plans to file a minor modification application for the facilities of K41EG-D. Cooperative Television Association of Southern Minnesota ("CTV"), licensee of TV Translator Station K41IZ-D, St. James, MN (FCC Facility ID 13846), hereby accepts any interference that FREA's modified operation of K41EG-D at Jackson may cause to K41IZ-D at St. James.

You have CTV's permission to file a copy of this letter with the FCC in connection with FREA's above-referenced application.

Sincerely yours,
