 ) **Facility ID 18744**  
Displacement application )  
Station KMMW-LP, Stockton, CA. )

To: Chief, Video Services Division

**Amendment to Pending Application**

Caballero Television Texas, LLC (Licensee), by its counsel, and pursuant to Section 1.51 of the Commission's Rules, hereby submit a minor amendment in response to the Commission's letter regarding the above-referenced application (the "Application"), (letter of Hossein Hashemzadeh, Supervisory Engineer, Low Power Television Branch, Video Services Division, Media Bureau, dated November 7, 2002). A copy of the letter is attached hereto.

Applicant's amendment is more fully set forth in the attached engineering statement and accompanying exhibit.

The instant exhibits were earlier filed as a "petition for reconsideration". Commission staff subsequently informed Licensee that it's pleading would not be considered unless Licensee refilled

the same exhibits as an "amendment." Licensee respectfully request an additional thirty days in which to respond to the Letter of November 7, 2002 by refilling its exhibits, this time as an "amendment" to its application.

WHEREFORE, the premises considered, Caballero Television Texas, LLC respectfully requests that their amendment to its application be accepted, nunc pro tunc, and, as amended, it's application be granted.

Respectfully submitted,

**Caballero Television Texas, LLC**
