

On May 19, 2003, Mission Broadcasting of Amarillo License, Inc. ("Mission") submitted an application for consent to the assignment of license of station KAMC, Lubbock, Texas from VHR Lubbock License, Inc. to Mission (File No. BALCT-20030519AEP). Simultaneously, Mission submitted an application for consent to the assignment of license of station KOLR, Springfield, Missouri from VHR Springfield License, Inc. to Mission (File No. BALCT-20030519AEQ). These proposed assignments of license are pursuant to the exercise of option agreements (assigned to Mission) for the purchase of the assets of the stations. Mission is a subsidiary of Mission Broadcasting of Amarillo, Inc., whose sole stockholder and director is David S. Smith.

For business reasons, the parties have decided to restructure the proposed transactions. Rather than an assignment of the licenses to Mission Broadcasting of Amarillo License, Inc., the parties will transfer control of the licensees from VHR Broadcasting, Inc. to a new entity also controlled by David S. Smith, Kenos Broadcasting, Inc. Under the new proposed transaction, Kenos Broadcasting, Inc. will merge with VHR Broadcasting, Inc., the indirect parent of VHR Lubbock License and VHR Springfield License, with the surviving corporation to be known as Kenos Broadcasting, Inc. Upon consummation, VHR Lubbock License, Inc. and VHR Springfield License, Inc. will continue to hold the licenses they currently hold.

David S. Smith is the sole shareholder of Kenos Broadcasting, Inc. and is its sole director. Mr. Smith is president and treasurer and Nancie J. Smith (Mr. Smith's wife) is vice president and secretary. Accordingly, this amendment provides for no change in the ultimate ownership of the entity acquiring stations KAMC and KOLR pursuant to the above-referenced pending assignment applications, and it may be treated as a minor amendment.

Below is a chart which sets forth the changes in interest under the proposed transfer of control:

Name/Address	Citizenship	Interest Held			
		Before Transfer		After Transfer	
		Percent of Votes	Percent of Total Assets	Percent of Votes	Percent of Total Assets

No other changes to the pending applications are proposed.
