

4/2/03

Dear Sirs,

I have surveyed the interference area at the site in Legion, TX. I've found there are no residences or businesses within .32 miles of the tower. There are 2 buildings at a rest stop on Interstate 10 approximately .4 miles from the tower site, however there are no businesses at the rest stop. Thank you very much.

Sincerely,

A handwritten signature in cursive script, appearing to read "Leo Palmonari".
