Dear Applicant:

Within 30 days from the date of this letter, file an amendment or request an extension of time to file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the tower requires registration with the FAA. Our tower determination search results based on the specifications of the above referenced proposed construction permit indicate that the proposed tower failed slope for three runways at Reno/Tahoe International Airport, Washoe, Reno, NV.

Sincerely

Hossein Hashemzadeh  
Deputy Chief  
Video Division
