

**Description of the Proposed Transaction**

This application seeks the Commission’s consent to the *pro forma* assignment of the license for FM station KSFM(FM), Woodland, California (Facility ID No. 59598), from CBS Radio Stations Inc., an indirect wholly-owned subsidiary of CBS Corporation, to CBS Interactive Inc., an indirect wholly-owned subsidiary of CBS Corporation.

The use of FCC Form 316 is appropriate because CBS Corporation currently controls, and will continue to control, KSFM following the proposed assignment. Therefore the proposed assignment will not result in a substantial change in the beneficial ownership or control of any FCC licensee.

The following charts depict the before and after ownership of KSFM(FM):
