For FM Translator Station W259AO (Facility ID No. 142814), Saukville, WI

Dear Sir:

The instant letter is submitted on behalf of my client, Tomsun Media, LLC ("Tomsun"), licensee of FM Translator Station W259AO, Saukville, Wisconsin, (the "Station"), as an attachment to an application (FCC Form 349) for modification of the licensed facilities of the Station (the "License Modification Application").¹ Tomsun currently holds a construction permit (File No. BMPFT-20150128AUO) (the "CP") for modification of the Station's facilities. In view of Tomsun's filing of the License Modification Application, Tomsun has authorized me to request that the CP be cancelled. It is further respectfully requested that the CP be cancelled concurrently with the grant of the License Modification Application, if possible.

Should there be any questions concerning this matter, please contact me.

Sincerely yours,

Shelley Sadowsky
