Re: Florida Talk Radio, LLC (FTR)
WSRQ(AM), Sarasota, Florida
Facility Id. No. 27663
FCC File No. BESTA-20150114AAJ

Dear Ms. Dortch:

Reference is made to the request filed by Florida Talk Radio (FTR) on January 14, 2015 requesting an extension of the Special Temporary Authority (STA) originally granted in 1998 and last modified on July 18, 2014 to operate station WSRQ(AM), Sarasota, Florida from an alternate site with temporary facilities due to loss of the licensed site. See BESTA-20150114AAJ, granted on February 12, 2015. FTR stated that additional time is needed to finalize the proposed site lease and to complete construction of the facility (as specified in BP-20150120AIX), or to propose a new site facility (if a new site lease is not obtained). FTR has not yet obtained a written lease for the proposed site.

FTR hereby requests a hold on all further action on the pending application to change site (BP-20150120AIX) for a period of 180 days. This extension will allow FTR additional time to either confirm the proposed site is available for the intended use (by securing a new lease), or to start preparation of a curative amendment to propose a new acceptable site. FTR has entered a verbal agreement concerning the principal terms of a lease agreement and is in the process of negotiating the wording of the new lease.
