## LETTER OF CERTIFICATION

August 8, 2016

This is to certify that the recently erected antenna at the auxiliary site near Box Springs Mountain Road in the Southwest Quarter of Section 27, Township 2 South, Range 4 West, SBM, County of Riverside, California, has been constructed so that the antenna was positioned within  $1^\circ$  of the specified azimuth of  $197^\circ$ . This determination was made using the basis of bearing provided by record data contained in Book 75 of Records of Survey, Page 59, records of Riverside County, California.

Equipment used to make this analysis was a Trimble Total Station having an accuracy of  $\pm 0^\circ 0' 03''$ . The measured azimuth of the constructed antenna was  $197^\circ 21' 19''$  which was within the allowed tolerance.

Warren D Tuttle, RCE 30171
