

## Multiple Ownership Exhibit

Gray Television, Inc. (“Gray”), the parent company of Gray Media Group, Inc. the proposed assignee of WVIR(TV), Charlottesville, VA (FID 70309), is also the owner of WCAV(TV), Charlottesville, VA (FID 363) and WVAW-LD, Charlottesville, VA (FID 4687) (collectively, the “Stations”). Gray has entered into an agreement to sell the Stations to Charlottesville TV LLC. Gray will complete its sale of the Stations simultaneous with or prior to its acquisition of WVIR and has affirmed that it will not maintain any ongoing relationship with the Stations following consummation of this transaction, such as joint sales, joint retransmission negotiations, news production or local marketing arrangements. The Commission has recognized previously that when a divestiture is required to comply with multiple ownership rules, an application seeking consent for an acquisition can be granted conditioned upon consummation of the divestiture transaction. *See In the Matter of Applications for Consent to Transfer Control of Certain License Subsidiaries of Raycom Media, Inc. to Gray Television, Inc.*, DA 18-1286 (Dec. 20, 2018).
