Each Seller is duly qualified to do business and is in good standing in any jurisdiction where it owns or operates a Station and in each other jurisdiction where such qualification or good standing is necessary, except for those jurisdictions where the failure to be so qualified or in good standing would not, individually or in the aggregate, have a Material Adverse Effect. Each Seller has the corporate power and authority (corporate and otherwise) to carry on the Business as it is now being conducted and to own, operate and lease the Purchased Assets.

(b) Except as set forth on Schedule 3.1(b) attached hereto, YBI does not control, directly or indirectly, or own, directly or indirectly, any capital stock of, or other voting securities or equity or similar interest in, or investment in or have any obligation to invest in, any corporation, partnership, limited liability company, joint venture, trust or other business association or entity or Person which is not a Subsidiary.

3.2 **Authority and Status.** Subject to obtaining Bankruptcy Court approval pursuant to the Sale Approval Order, (i) each Seller has the corporate (or other) power and authority to execute and deliver this Agreement and each and every agreement, document, instrument and certificate provided for herein to which it is a party (the "**Seller Documents**") and to perform its obligations hereunder and thereunder and to consummate the Proposed Transactions, (ii) the execution, delivery and performance by each Seller of this Agreement and the Seller Documents have been duly authorized and approved by all necessary action of each Seller, and (iii) this Agreement and the Seller Documents constitute or, when executed and delivered, will constitute the valid and legally binding obligations of the Sellers, enforceable against them in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other laws in effect from time to time affecting the rights of creditors generally, and the application of general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

3.3 **Status of Assets and Leases of the Sellers; Sufficiency.** The Sellers own and have good title to all of the Purchased Assets (or a leasehold interest in those portions of the

Purchased Assets designated on Schedule 3.10(a)) material to the operation of the Business, in each case free and clear of all Liens, Claims, Interests and Encumbrances, other than Permitted Exceptions, the obligations of any Lease with respect to any leased assets, or as disclosed or reserved against it in the Financial Statements (to the extent and in the amounts so disclosed or reserved against), or as listed on Schedule 3.3 attached hereto. The Purchased Assets constitute all of the properties (other than the Excluded Assets) that are reasonably necessary to conduct the Business as presently conducted by the Sellers.

3.4 Litigation. Except as set forth on Schedule 3.4 attached hereto and for Actions filed in the Bankruptcy Court, there are no Actions by or before any Governmental Authority pending or, to the Knowledge of the Sellers, threatened in writing against any Seller that questions or challenges the validity of this Agreement or any action taken or proposed to be taken by the Sellers pursuant hereto or thereto or in connection with the Proposed Transactions. (iii) The Stations are being operated in all material respects in accordance with the terms and conditions of the FCC Licenses applicable to them and in accordance with the Act and the FCC Rules and each Seller has timely filed all registrations and reports and timely paid all required fees, including any renewal applications, required by the Act or the FCC Rules; and

(iv) There is no pending or, to the Knowledge of the Sellers, threatened matters (a) which might reasonably be expected to result in the suspension, revocation, termination or challenge of or the refusal to renew any of the FCC Licenses by the FCC, or (b) against any Seller which might reasonably be expected to result in the FCC's delay of or refusal to grant approval of the transfer of control or assignment to the Purchaser of any FCC License or the imposition of any material adverse condition in connection with approval of the transfer of control to the Purchaser of any FCC License, other than matters affecting the television broadcasting industry in general.

ARTICLE 4

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser represents and warrants to the Sellers:

4.1 Organization and Standing. The Purchaser is a duly organized and validly existing corporation in good standing under the laws of the State of Delaware.

4.2 Power and Authority. Subject to the entry of the Sale Approval Order, the Purchaser has the power and authority to execute and deliver this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby without the necessity of any act or consent of any other Person. The execution, delivery and performance by the Purchaser of this Agreement and every agreement, document and instrument provided for herein have been duly authorized and approved by its stockholders. This Agreement and each and every other agreement, document and instrument to be executed, delivered and performed by the Purchaser in connection herewith constitute the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with their respective terms.

4.3 Consent.

(a) The execution and delivery of this Agreement, and the performance of the transactions contemplated herein by the Purchaser, will not require any consent, approval, authorization or other action by, or filing with or notification to, any Person or Governmental Authority, except as follows: (i) filings, if any, required under the HSR Act, (ii) consents to the assignment of the FCC Licenses to the Purchaser by the FCC, (iii) filings, if any, with respect to Taxes, and (iv) the entry of the Sale Approval Order.

(b) Assuming all consents, approvals, authorizations and other actions described in Section 4.3(a) have been obtained and all filings and notifications described in Section 4.3(a) have been made, the execution, delivery and performance of this Agreement and the other agreements, documents and instruments executed, delivered and performed by the Purchaser in connection herewith by the Purchaser do not and will not (i) conflict with or violate any material Legal Requirements applicable to the Purchaser, (ii) conflict with or result in any breach of or constitute a default (or an event which with notice or lapse of time or both would become a default) of any material Contract to which the Purchaser is a party or by which the

Purchaser is bound, or (iii) conflict with or violate the organizational documents of the Purchaser.

There are no facts or proceedings which would reasonably be expected to disqualify the Purchaser under the Act or HSR Act or otherwise from acquiring or operating the Stations or to cause the FCC not to approve the assignment of the FCC Licenses to the Purchaser or the DOJ and the FTC not to allow the waiting period under the HSR Act to terminate within thirty (30) days of the filing provided for in Section 5.1(b). The Purchaser has no knowledge of any fact or circumstance relating to the Purchaser or any of the Purchaser's Affiliates that would reasonably be expected to lead to a delay in the termination of the waiting period required by the HSR Act. No waiver of any FCC Rule with respect to the Purchaser is necessary to be obtained for the grant of the applications for the assignment of the FCC Licenses to the Purchaser.

(b) As of the date hereof and through the Closing Date, neither the Purchaser nor any Affiliate of the Purchaser (i) owns, controls or operates any television or radio station or daily newspaper located in any DMA in which a Station is located; (ii) has any direct or indirect equity or debt interest or management interest, in each case which is "cognizable" or "attributable" (as defined in Section 73.3555 of the FCC Rules) in (A) any television or radio station or daily newspaper located in any DMA in which a Station is located, or (B) any applicant seeking to construct or acquire, by assignment of license or transfer of control, any such television or radio station (an "**Applicant**"); or (iii) is a party to any TBA with a television or radio station located in any DMA in which a Station is located, or with any Applicant. The Purchaser acknowledges and agrees that the representations set forth in this Section 4.4(b) shall take into account and include (1) the consummation of any proposed or pending acquisition (as of the date hereof and through the Closing Date) of television or radio stations or daily newspapers (including the acquisition of the Stations) by the Purchaser or any Affiliate of the Purchaser or any Applicant, and (2) any TBA or proposed or pending TBA (as of the date hereof and through the Closing Date) to which the Purchaser or any Affiliate of the Purchaser is or may become a party; excepting, however, with respect to the representation and warranty set forth in this Section 4.4(b), any TBA between the Purchaser or any Affiliate of the Purchaser and any Seller.

4.5 Financial Capability. The Purchaser (a) at the Closing, will have (subject only to the conditions to the Closing of this Agreement) Secured Obligations sufficient to pay the Purchase Price, (b) at the Closing will have the resources and capabilities (financial or otherwise) to perform its obligations hereunder and (c) has not incurred any obligation, commitment, restriction or liability of any kind, which would impair or adversely affect such resources and capabilities.

4.6 Exclusivity of Representations. Notwithstanding anything contained in this Agreement to the contrary, the Purchaser acknowledges and agrees that the Sellers are not making any representations or warranties whatsoever, express or implied, beyond those

expressly given by the Sellers in Article 3 (as modified by the Schedules hereto), and the Purchaser acknowledges and agrees that, except for the representations and warranties contained therein (as modified by the Schedules hereto), the Purchased Assets are being transferred on a "where is" and, as to condition, "as is" basis. The Purchaser further represents that neither the Sellers nor any of their Affiliates nor any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding the Sellers, the Business or the transactions contemplated by this Agreement not expressly set forth in this Agreement (as modified by the Schedules hereto), and none of the Sellers or any of their Affiliates or any other Person will have or be subject to any liability to the Purchaser nor any other Person resulting from the distribution to the Purchaser or its representatives or the Purchaser's use of, any such information, including any confidential memoranda distributed on behalf of the Sellers relating to the Business or other publication or data room information provided to the Purchaser or its representatives, or any other document or information in any form provided to the Purchaser or its representatives in connection with the sale of the Business and the transactions contemplated hereby.

ARTICLE 5

COVENANTS

5.1 Consents and Approvals.

(a) (i) Within fifteen (15) Business Days after the execution of this Agreement, the Sellers and the Purchaser shall jointly file with the FCC such applications and other documents in the name of the Sellers or the Purchaser, as appropriate, as may be necessary or advisable to obtain the FCC Consent. The Sellers and the Purchaser shall take all commercially reasonable steps necessary to prosecute such filings with diligence and shall diligently oppose any objections to, appeals from or petitions to reconsider such approval of the FCC, to the end that the FCC Consent with respect thereto may be obtained as soon as practicable. The Sellers covenant that neither they nor any officer or director of any Seller shall knowingly take, and the Purchaser covenants that neither the Purchaser nor any officer or director of the Purchaser shall knowingly take, any action that such party knows or has reason to know would materially and adversely affect or materially delay issuance of the FCC Consent, unless such action is requested or required by the FCC. Should the Purchaser or the Sellers become aware of any undisclosed material facts which could reasonably be expected to materially and adversely affect or materially delay issuance of the FCC Consent, such party shall promptly notify the other party in writing.

(ii) Applications for renewal of the FCC Licenses for certain of the Stations remain pending. The Sellers will use their commercially reasonable efforts to prosecute such applications. In order to facilitate the transactions contemplated by this Agreement, each Seller will, promptly after the date hereof, enter into one or more agreements with the FCC to toll the applicable statute of limitation with respect to complaints pending against a Station, if necessary to receive a grant of such Station's renewal application and the FCC Consent without material delay; provided that such tolling agreement(s) be comprised of commercially reasonable terms and that such agreement(s) not require any Seller to make or agree to financial commitments or to make monetary deposits to be held pending the outcome of such complaints. Consistent with Section 2.2 (a)(vii), to the extent reasonably requested by the FCC in connection with the FCC Consent, the Purchaser shall assume such tolling agreements, post an escrow

deposit with the FCC, or take any other action reasonably requested by the FCC with respect to the pending complaints.

(b) Within thirty (30) days after the execution of this Agreement, the Sellers and the Purchaser shall make the filings required to be made under the HSR Act, if any, in connection with the transactions contemplated by this Agreement. The Sellers and the Purchaser shall use their commercially reasonable efforts to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act and to take all other commercially reasonable actions necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act as soon as practicable; provided that, notwithstanding anything to the contrary contained in this Agreement, a party's commercially reasonable efforts hereunder shall not require such party or any of such party's Affiliates to sell or otherwise dispose of, hold separate (through the establishment of a trust or otherwise), divest itself of, or limit the ownership or operations of all or any portion of their respective businesses, assets or operations. In connection with the efforts referenced in this Section 5.1 to obtain all requisite approvals and authorizations for the transactions contemplated by this Agreement under the HSR Act, each Seller and the Purchaser shall use all commercially reasonable efforts to: (A) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (B) keep the other party informed in all material respects of any material communication received by such party from, or given by such party to, the FTC, the Antitrust Division of the Department of Justice (the "**DOJ**") or any other Governmental Authority and of any material communication received or given in connection with any proceeding by a private party; and (C) except as otherwise prohibited by law, permit the other party to review any material communication given by it to, and consult with each other in advance of and be permitted to attend any meeting or conference with, the FTC, the DOJ or any such other Governmental Authority or, in connection with any proceeding by a private party, with any other Person, in each case regarding any of the transactions contemplated by this Agreement.

(c) The Sellers shall, as promptly as practicable, use commercially reasonable efforts (which efforts shall not require the payment of consideration to any third party to obtain any consent) to obtain and deliver to the Purchaser all consents and approvals of any Governmental Authority or any other Person required to consummate the Proposed Transactions, including, without limitation, those described in Section 3.6(a) and set forth on Schedule 3.6(a) attached hereto.

(d) The Sellers shall, as promptly as practicable, use commercially reasonable efforts (which efforts shall not require the payment of consideration to any third party to obtain any consent) to provide for the assumption (and, if the transactions contemplated hereunder are effected in accordance with Section 5.11(a) or (c), the sale and assignment) to the Purchaser of the Assumed Contracts at the Closing.

5.2 Access to Records and Properties. From the date hereof until the Closing Date, the Sellers agree to permit the Purchaser, its shareholders, employees, agents, counsel, financial advisors, consultants and other representatives full access at reasonable times and upon reasonable notice to (i) inspect the assets and books and records of the Sellers related to the operation of the Business and (ii) the Employees and other officers and agents of the Sellers who

have any responsibility for the operation of the Business. From the date hereof until the Closing Date, the Sellers shall cooperate with the Purchaser throughout the due diligence process by making available to the Purchaser and its representatives all information and data (including, without limitation, copies of any Contracts and Permits or financial (or other) information) relating to the Proposed Transactions or operation of the Sellers or the Stations or concerning the Business, Purchased Assets or the Assumed Liabilities, as may be reasonably requested by the Purchaser or any of its representatives.

5.3 Conduct of the Business.

For the period from the date hereof to the Closing, the Sellers agree that they will operate that portion of the Business that is under their control, or otherwise operated by them (and not the Manager), in the ordinary course and in a manner substantially similar to which the Sellers and the Business are currently being operated, except for actions taken or failed to be taken by the Sellers or the Manager pursuant to or in furtherance of the Management Agreement or otherwise expressly contemplated by this Agreement or the Management Agreement. Each Seller agrees that it will through the Closing Date, except (1) as set forth on Schedule 5.3 attached hereto, (2) as required or restricted by applicable Legal Requirements, (3) for any action taken or failed to be taken by the Sellers or the Manager pursuant to or in furtherance of the Management Agreement or otherwise expressly contemplated by this Agreement or the Management Agreement or (4) with the prior written consent of the Purchaser, use such commercially reasonable efforts consistent with prior operation to:

(ii) refrain from terminating the services of the current Employees whose services are material to the operation of the Business;

(iii) maintain the Purchased Assets which are material to the Business in substantially the same working order and conditions as such Purchased Assets are in as of the date hereof, ordinary wear and tear and insured casualty excepted;

(iv) maintain all material FCC Licenses and Permits of the Sellers;

(v) comply in all material respects with all of the Sellers' material obligations and duties (a) under its Contracts, Leases and documents relating to or affecting the Purchased Assets and the Business and, if requested by the Purchaser, exercise all renewals thereunder and (b) imposed upon it by all applicable Legal Requirements;

(xi) refrain from making any loan or advance to any Person;

5.5 Contracts and Unexpired Leases. The Sellers shall provide the Purchaser with a true and complete Schedule G (as the same may be amended from time to time) as contemplated by Federal Rule of Bankruptcy Procedure 1007 listing all executory Contracts and unexpired Leases.

5.6 Employees.

(a) The Purchaser shall have the right, but not the obligation, to employ or engage as contractors or employees any or all of the Employees as the Purchaser determines to

The Sellers will not implement a "plant closing" or "mass layoff" on or before the Closing Date without advance notification to and approval of the Purchaser. The Sellers shall comply with the WARN Act, as applicable, including provision of required notices; provided that the Purchaser provides the Sellers with timely information regarding the Employees that it intends to hire on the Closing Date (which notice shall be given to the Sellers at least fifteen (15) days prior to the Closing Date). The Purchaser will hire a sufficient number of employees so that the Sellers are below the threshold necessary to give a WARN Act notice.

(b) At the Closing, YBI shall enter into employment agreements with each of Vincent Young, Deborah McDermott and James Morgan on and subject to the terms set forth on Exhibit C hereto (which agreements shall be retroactive to the first (1st) Business Day following the tenth (10th) day following the entry of the Sale Approval Order) and such agreements shall be included on Schedule 1.1(a) as Assumed Contracts.

5.8 Employee Files and Records. The Purchaser shall have the right, subject to applicable Legal Requirements, to review and inspect the Sellers' employee files and records, and, upon request, interview Employees, in order for the Purchaser to evaluate each and every Employee for possible hiring and employment, in the Purchaser's absolute and sole discretion.

Any supplement or amendment delivered pursuant to this Section 5.9 shall have no effect on the

representations and warranties, covenants or agreements contained in this Agreement for the purposes of determining satisfaction of any condition contained herein.

(b) In the event that, during the Designation Right Period, the Purchaser amends Schedule 1.1(a) attached hereto to designate a Contract as an Assumed Contract pursuant to Section 2.2(c), the Sellers shall use commercially reasonable efforts (which efforts shall not require the payment of consideration to any third party to obtain any such consent or approval) to obtain an order of the Bankruptcy Court providing for the assumption (and, if the transactions contemplated hereunder are effected in accordance with Section 5.11(a) or (c), the sale and assignment) to the Purchaser of such Contract.

(c) During the Designation Right Period, no Seller shall assume or reject a Contract in the Bankruptcy Case without the prior written consent of the Purchaser, not to be unreasonably withheld.

(a) The Sellers and the Manager shall enter into the Management Agreement one (1) Business Day following the tenth (10th) day following the entry of the Sale Approval Order, provided that such order has not been stayed pending appeal or, upon the written request of the Purchaser, such later date (which date shall be upon two (2) Business Days prior written notice from the Agent) as determined by the Agent at the direction of the Majority Lenders.

(b) No Seller shall exercise any termination right contained in, or otherwise amend or modify, the Management Agreement (other than any termination right exercisable due to the termination of this Agreement under any paragraph of Section 10.1 (other than paragraph (e) thereof) in accordance with its terms) without the prior written consent of the Purchaser, not to be unreasonably withheld.

5.11 Plan of Reorganization. In lieu of closing the sale transaction contemplated in this Agreement solely under the authority of Sections 363 and 365 of the Bankruptcy Code, and notwithstanding anything to the contrary contained in this Agreement, the Sellers agree that, upon the written request of the Purchaser, they will take all actions reasonably necessary or desirable (and file all relevant motions and Chapter 11 plans, disclosure statements and attendant documents with the Bankruptcy Court) in order to allow the Purchaser to consummate the transactions contemplated hereunder pursuant to the implementation of:

(a)(i) a sale transaction under Section 363 and 365 of the Bankruptcy Code and
(ii) a Chapter 11 plan of reorganization pursuant to which the Sellers would transfer at least substantially all of their assets to the Purchaser and the Purchaser shall issue one hundred percent (100%) of the newly issued equity of the Purchaser to the Lenders on behalf of the Sellers in exchange for that portion of the Secured Obligations as is equal to the Purchase Price;

(b)(i) a sale transaction under Section 363 and 365 of the Bankruptcy Code and

5.12 Credit Bid by Agent. The Agent shall (a) comply with the Lender Consent by crediting \$200,000,000 principal face amount of the Secured Obligations towards the purchase of the Purchased Assets on the terms and conditions contained herein, (b) cause the Purchaser to (i) be formed as a Delaware entity owned by the Lenders and (ii) execute this Agreement, and (c) assign all rights of Agent under the Sale Approval Order and this Agreement to the Purchaser.

The representations and warranties of the Sellers set forth in this Agreement shall be true and correct in all material respects at and as of the Closing, except to the extent such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall be true and correct on and as of such earlier date, except to the extent that the failure of all such representations and warranties to be so true and correct, in the aggregate, has not had, and could not be reasonably expected to have, a Material Adverse Effect; provided, that for purposes of this Section 6.2(a), any action taken or failed to be taken by the Sellers at the direction or request of the Manager or any action taken or failed to be taken by the Manager, shall not be taken into account in determining whether a Material Adverse Effect has, or could be reasonably expected to have, occurred.

ARTICLE 9
ADDITIONAL COVENANTS

9.1 Further Assurances.

(a) At any time and from time to time from and after the Closing, the Sellers and the Purchaser shall, at the request the other party, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such instruments and other documents and perform or cause to be performed such acts and provide such information, as may reasonably be requested by any party hereto to evidence or effectuate the transactions contemplated hereunder or for the performance by the Sellers or the Purchaser of any of their other respective obligations under this Agreement or the other instruments delivered in connection herewith.

(b) Effective as of the Closing, each Seller hereby constitutes and appoints the Purchaser the true and lawful attorney of such Seller, with full power of substitution, in the name of such Seller or the Purchaser, but on behalf of and for the benefit of the Purchaser: (i) to demand and receive from time to time any and all of the Purchased Assets and to make endorsements and give receipts and releases for and in respect of the same and any part thereof; (ii) to institute, prosecute, compromise and settle any and all Actions that the Purchaser may deem proper in order to collect, assert or enforce any claim, right or title of any kind in or to the Purchased Assets; (iii) to defend or compromise any or all Actions in respect of any of the Purchased Assets; and (iv) to do all such acts and things in relation to the matters set forth in the preceding clauses (i) through (iii) as the Purchaser shall deem desirable. Each Seller hereby acknowledges that the appointment hereby made and the powers hereby granted are coupled with an interest and are not and shall not be revocable by it in any manner or for any reason. Each Seller shall deliver to the Purchaser at the Closing an acknowledged power of attorney to the foregoing effect executed by such Seller. The Purchaser shall indemnify and hold harmless each Seller from any and all losses caused by or arising out of any breach of Legal Requirements by the Purchaser in its exercise of such power of attorney.

9.2 Access to Records After Closing; Transition Services. (a) From and after the Closing Date, each party hereto shall have reasonable access to inspect and copy all books and records relating to the Business prior to the Closing that the other parties hereto may retain after the Closing Date, to the extent that such access may be reasonably required by the requesting party in connection with (i) the preparation of Tax Returns, (ii) the determination or enforcement of rights and obligations under this Agreement, (iii) compliance with the requirements of any Governmental Authority, (iv) the determination or enforcement of the rights and obligations of any party to this Agreement or any agreements contemplated hereby or (v) in connection with any actual or threatened Action. Such access shall be afforded by the party maintaining such records upon receipt of reasonable advance notice and during normal business hours. If any party maintaining records shall desire to destroy or otherwise dispose of any such books and records, such party shall, prior to such destruction or disposal, give the other party hereto a reasonable opportunity, at such other party's expense, to segregate and remove such books and records as such other party may select.

(b) Notwithstanding anything to the contrary contained in Section 9.2(a), between the Closing and the closing of the Bankruptcy Cases, the Purchaser and its subsidiaries shall provide the Sellers and the other debtors in the Bankruptcy Cases (collectively, with the Sellers, the “**Debtors**”) reasonable access during normal business hours to the employees of the Purchaser or its subsidiaries so that such employees may provide transition services as set forth in this Section 9.2(b) in connection with the winddown of the Debtors operations and the closing of the Bankruptcy Cases following the Closing Date. To the extent such actions do not interfere with the operation of the Business, the Purchaser and its subsidiaries shall during such period use commercially reasonable efforts to:

(i) respond within a reasonable time to reasonable inquiries and requests for information from any Debtor for books and records relating to the Business or the Sellers prior to the Closing;

(ii) assist the Debtors in their termination all of the Employee Benefit Plans not set forth on Schedule 1.1(a);

(iii) maintain, retain and preserve the books and records of the Sellers relating to periods prior to the Closing;

(v) assist the Debtors in collecting or disposing of the Excluded Assets;

(vi) assist the Debtors in preparing and submitting any reports, forms or other filings required or requested by a Governmental Authority;

(vii) coordinate the preparation and submission of Tax Returns; and

(viii) assist in such other reasonable services which may be necessary to conduct an orderly dissolution and windup of the Debtors affairs.

9.3 Cooperation. The Sellers and the Purchaser shall cooperate fully with each other after the Closing Date with respect to any claims, demands, tax or other audits, suits, actions and proceedings by or against the Sellers or the Purchaser, as the case may be, in respect of the Purchased Assets, the Excluded Assets, or the Liabilities of the Business, whether or not assumed by the Purchaser under Section 2.2(a) hereof.

9.4 Tax Matters. (a) If pursuant to Section 5.11 the transactions contemplated hereby are implemented pursuant to a Chapter 11 plan of reorganization and the Purchaser is treated as a corporation for U.S. federal income Tax purposes, except as provided in (b) below, the parties intend that the transactions consummated pursuant to this agreement be treated as reorganizations within the meaning of Section 368(a) of the Code. Each Seller and Purchaser

will report consistent with the foregoing for all U.S. federal, state and local income Tax purposes.

(b) Continuity of Business Enterprise. To the extent the transactions consummated pursuant to this Agreement are intended to be treated as reorganizations within the meaning of section 368(a) of the Code and the continuity of business enterprise requirement of section 1.368-1(d) of the Treasury Regulations "COBE" must be satisfied in order to qualify all or part of the transfers as reorganizations, Purchaser will continue the business of the Sellers or will use at least a significant portion of the Sellers' historic business assets in a business in a manner that is consistent with the COBE requirements. If the COBE requirement is not satisfied, the parties will not be bound to report the transfer as a reorganization. The Purchaser and Sellers will cooperate and provide information to each other as is necessary to determine whether the transfers contemplated by this Agreement constitute a reorganization.

(c) Purchase Price Allocation. Schedule 9.4(c) shall set forth an allocation of the Purchase Price (and all other capitalized costs) to each of the Purchased Assets. Such allocation shall be made in accordance with the provisions of section 1060 of the Code and the Treasury Regulations issued thereunder, and shall be binding upon Purchaser and Sellers for all purposes (including all Tax purposes and, to the extent such Tax allocation principals are consistent with the applicable non-Tax principals, for financial accounting purposes, financial and regulatory reporting purposes). The allocation provided on Schedule 9.4(c) shall be used by the parties with respect to any transfer of Purchased Assets pursuant to this Agreement that does not constitute or is not part of a reorganization, Purchaser and Sellers shall prepare and timely file Internal Revenue Service Form 8594, including any required amendments or supplements thereto, consistent with such allocation and in accordance with section 1060 of the Code and the Treasury Regulations thereunder. Purchaser and Sellers shall file all Tax Returns on the basis of such allocation and consistent with Internal Revenue Service Form 8594.

9.5 Confidentiality. Each party acknowledges that the terms of the existing confidentiality agreement dated May 28, 2009 shall remain in full force and effect.

9.6 Limitations on Avoidance Actions. The Sellers agree not to bring any Avoidance Actions with respect to any payment that would constitute a Cure Amount under an Assumed Contract, and such agreement (a) shall be binding upon all creditors and equity holders of the Sellers, the Committee, all successors and assigns of the Sellers and their Affiliates and subsidiaries, and any trustees, examiners, "responsible persons" or other fiduciaries appointed in the Sellers Bankruptcy Cases or upon a conversion to Chapter 7 under the Bankruptcy Code, and (b) shall operate to bar, enjoin and estop any such Persons from commencing any such Avoidance Actions.

ARTICLE 10

TERMINATION

10.1 Termination of Agreement. This Agreement may be terminated and neither party shall be required to consummate the Proposed Transactions as follows:

- (a) by the mutual written consent of the Purchaser and the Sellers;

(b) by the Purchaser or the Sellers if the Closing shall not have occurred by the close of business on December 31, 2010, or such later date as the Sellers and the Purchaser shall agree (the "**Termination Date**"), provided, however, that no termination right shall vest if the failure to consummate the Proposed Transactions is due to material breach by the party attempting to terminate this Agreement and, provided further, however, that, if the sole remaining condition to the Closing is receipt of the FCC Consent, the Termination Date shall automatically be extended an additional sixty (60) days after the Termination Date;

(c) automatically, unless waived by all parties, if a Governmental Authority issues a Final Order prohibiting the Proposed Transactions;

(d) by the Purchaser, in the event that the Bankruptcy Court shall not have entered the Sale Approval Order by July 29, 2009;

(e) by the Purchaser, upon written notice to the Sellers, in the event that (i) the Purchaser elects to proceed pursuant to clause (b) of Section 5.11 and (ii) a Chapter 11 plan of reorganization has been confirmed by the Bankruptcy Court and the effective date (as defined in such plan of reorganization) has occurred; provided, however, that the covenants and agreements contained in Articles 9 and 13 shall continue to survive in accordance with their terms and all references to the "Closing" and "Closing Date" therein shall instead be deemed to refer to the effective date (as defined in such plan of reorganization);

(f) by the Purchaser, no later than two (2) Business Days following the expiration of the period provided for in the last Supplemental Cure Notice filed by the Debtors within which Persons may object to the cure amounts for any contract set forth on the cure schedule attached to such Supplemental Cure Notice, in the event that the increased Cure Amounts proposed by such Persons, together with those proposed by Persons that timely objected with respect to contracts set forth on the Cure Schedule (as defined in the Bidding Procedures Order), if granted by the Bankruptcy Court, would cause the aggregate of all Cure Amounts to be assumed by Purchaser under Section 2.2(a)(ii) to exceed four million two hundred fifty thousand Dollars (\$4,250,000);

(g) by the Purchaser, if (i) there shall have been a breach by the Sellers of any representation, warranty, covenant or agreement contained in this Agreement or that would result in a failure of a condition set forth in Section 6.2, and such breach has not been cured or waived by the Purchaser on or before the tenth (10th) day after written notice is given by the Purchaser to the Sellers or (ii) any condition set forth in Section 6.1 or 6.2 shall have become impossible or impracticable to satisfy with the use of commercially reasonable efforts, if the failure of such condition to be satisfied is not caused by a breach of this Agreement by the Purchaser; or

(h) by the Sellers if there shall have been a breach by the Purchaser of any representation, warranty, covenant or agreement contained in this Agreement that would result in a failure of a condition set forth in Section 6.1 or 6.3, and such breach has not been cured or waived by the Sellers on or before the tenth (10th) day after written notice is given by the Sellers to the Purchaser; provided, however, that the Sellers shall not have the right to terminate this Agreement under this Section 10.1(h) if any Seller is then in material breach of this Agreement.

ARTICLE 11
CONTROL OF STATIONS

Between the date hereof and the Closing, the Purchaser shall not control, manage or supervise the operation of the Stations or the conduct of the Business, in any manner that would reasonably be expected to violate the Act or the FCC Rules.

ARTICLE 12
NO SURVIVAL

12.1 No Survival of Representations and Warranties; Survival of Covenants. The parties agree that the representations and warranties contained in this Agreement shall not survive the Closing hereunder, and none of the parties shall have any liability to each other after the Closing for any breach thereof. The parties agree that the covenants contained in this Agreement to be performed at or after the Closing shall survive the Closing, and each party shall be liable to the other after the Closing for any breach thereof.

ARTICLE 13

Any party hereto may change its address specified for notices herein by designating a new address by notice in accordance with this Section.

13.2 Broker's and Finder's Fees.

(a) The Purchaser represents and warrants to the Sellers that no broker or finder has acted for it or any entity controlling, controlled by or under common control with it in connection with transactions contemplated by this Agreement and, insofar as the Purchaser knows, no broker or other Person is entitled to any commission or finder's fee in connection with any of such transactions.

(b) Except as set forth on Schedule 13.2 attached hereto, the Sellers represent and warrant to the Purchaser that no broker, finder or financial advisor has acted for them or any entity controlling, controlled by or under common control with it in connection with transactions contemplated by this Agreement and, to the Knowledge of the Sellers, no broker or other Person is entitled to any commission or finder's fee in connection with any of such transactions.

13.3 Specific Performance; No Monetary Damages. The parties hereto acknowledge and agree that the breach of this Agreement would cause irreparable damage to the other parties and that such other parties will not have an adequate remedy at law. Therefore, the obligations of the parties under this Agreement, including, without limitation, the Sellers' obligation to sell the Purchased Assets to the Purchaser, and the Purchaser's obligation to pay the Sellers for the

Purchased Assets by crediting (or causing the Agent to credit) the Secured Obligations against the Purchase Price, shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. **THE PARTIES HERETO FURTHER ACKNOWLEDGE AND AGREE THAT (I) IN NO EVENT SHALL ANY PARTY HERETO BE LIABLE FOR MONETARY DAMAGES FOR A BREACH OF A REPRESENTATION OR WARRANTY OR THE FAILURE TO PERFORM ANY COVENANT, OBLIGATION OR OTHER AGREEMENT, IN EACH CASE CONTAINED HEREIN AND (II) THE ONLY REMEDY FOR ANY SUCH BREACH, OTHER THAN AS PROVIDED FOR IN THE PRECEDING SENTENCE, SHALL BE THE RIGHT TO TERMINATE THIS AGREEMENT PURSUANT TO AND TO THE EXTENT PERMITTED BY ARTICLE 10.**

13.4 Waiver. Any failure on the part of any party hereto to comply with any of its obligations, agreements or conditions hereunder may be waived by any other party to whom such compliance is owed. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver.

13.5 Expenses. Except as expressly set forth herein, all expenses incurred by the parties hereto in connection with or related to the authorization, preparation and execution of this Agreement and the closing of the transactions contemplated hereby, including, without limiting the generality of the foregoing, all fees and expenses of agents, representatives, counsel and accountants employed by any such party, shall be borne solely and entirely by the party which has incurred the same. The Sellers shall request an order of the Bankruptcy Court pursuant to section 1146 of the Bankruptcy Code exempting the transfers pursuant to this Agreement from any sales, use, transfer, recordation and documentary taxes and fees ("**Transfer Taxes**"); provided, however, that to the extent such Transfer Taxes are not exempt, the Purchaser shall be responsible for any Transfer Taxes. The Sellers and the Purchaser shall cooperate and consult with each other prior to filing any Tax Returns in respect of Transfer Taxes. The Sellers and the Purchaser shall cooperate and otherwise take commercially reasonable efforts to obtain any available refunds for Transfer Taxes. The Sellers shall pay all filing fees (i) associated with obtaining the FCC Consent and (ii) in connection with any filings required by the HSR Act; provided, however, that in the event that this Agreement is terminated pursuant to any provision of Section 10.1 (other than paragraphs (a), (e) and (g) thereof), then within three (3) Business Days following such termination, the Purchaser shall pay to the Sellers one half (1/2) of the aggregate amount of all filing fees paid by the Sellers pursuant to clauses (i) and (ii) hereof.

13.6 Binding Effect; Third Party Beneficiaries; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, executors, administrators, successors and assigns. Nothing in this Agreement shall be construed to create any rights in any Employees or any other Persons as third party beneficiaries or otherwise. This Agreement shall not be assigned by the Sellers or the Purchaser without the prior written consent of the other party; provided that the Purchaser may freely assign, in whole or in part, its rights and obligations hereunder to any entity with which the Purchaser is affiliated so long as such assignment shall not materially delay or otherwise hinder the receipt of the FCC Consent. In the event of any assignment by the Purchaser pursuant to this Section 13.6, all references in this Agreement to the Purchaser shall be deemed to be references

to any such assignee unless the context otherwise requires. Notwithstanding anything to the contrary contained herein, the Agent shall be permitted to assign all of its rights and obligations hereunder to the Purchaser and, upon such assignment, the Agent shall be released from any and all obligations hereunder (other than the obligation to credit \$200,000,000 principal face amount of the Secured Obligations against the Purchase Price at the Closing in accordance with the Sale Approval Order).

13.7 Headings. The section and other headings in this Agreement are inserted solely as a matter of convenience and for reference, and are not a part of this Agreement.

13.8 Entire Agreement; Amendments. This Agreement (including the Schedules and Exhibits hereto and the certificates delivered hereunder) constitutes the entire agreement among the parties hereto and supersedes any prior letters of intent, agreements, representations, warranties, or communications, whether oral or written, among the parties hereto relating to the transactions contemplated hereby or the subject matter herein; provided, however, that for the avoidance of doubt, the parties hereto acknowledge and agree that this Agreement does not supersede any provision of the Credit Agreement or the attendant mortgages, pledges, security agreements, and related documents and other agreements relating to the Credit Agreement and that such agreements remain in full force and effect in accordance with the terms thereof, except to the extent the principal and accrued interest thereon has been reduced by payment of the Purchase Price in Section 2.3. The provisions of this Agreement may be amended or waived at any time by the written agreement of the parties hereto. Any waiver, permit, consent or approval of any kind or character on the part of a party hereto of any provisions or conditions of this Agreement must be made in writing and shall be effective only to the extent specifically set forth in such writing.

13.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to the conflict of laws provisions thereof.

13.10 Jurisdiction. **THE BANKRUPTCY COURT SHALL HAVE JURISDICTION OVER ALL MATTERS, INCLUDING ANY LEGAL ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY RELATED AGREEMENTS, OR THE PROPOSED TRANSACTIONS AND THE INTERPRETATION, IMPLEMENTATION AND ENFORCEMENT OF THIS AGREEMENT, AND THE PARTIES HERETO IRREVOCABLY SUBMIT AND CONSENT TO SUCH JURISDICTION.**

The Purchaser and the Sellers further agree that service of any process, summons, notice or document by U.S. registered mail to any such party's respective address set forth in Section 13.1 shall be effective service of process for any action, suit or proceeding with respect to any matters to which it has submitted to jurisdiction as set forth above. Each of the Purchaser and the Sellers irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement in the Bankruptcy Court, and irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. If a court finds that subject matter jurisdiction is not available in the Bankruptcy Court, the Purchaser and the Sellers hereby agree to submit any and all disputes arising out of this

Agreement to the jurisdiction and venue of the U.S. District Court for the Southern District of New York or if such court shall not have jurisdiction, then to the appropriate courts of the State of New York sitting in New York County.

13.11 Waiver of Right to Trial by Jury. The Purchaser and the Sellers hereby waive any right to trial by jury in any Action regarding this Agreement or any provision hereof.

13.12 Counterparts. This Agreement may be signed by facsimile or PDF signature and in any number of counterparts, each of which shall be deemed an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

13.13 Pronouns. All pronouns used herein shall be deemed to refer to the masculine, feminine or neuter gender as the context requires.

13.14 Approval of Bankruptcy Court. Notwithstanding anything herein contained to the contrary, in the event that the express terms of this Agreement require the Sellers to obtain the consent of the Purchaser prior to the taking of an action by the Sellers, and the Purchaser's consent to such action is not given for any reason, such action may be taken by the Sellers upon entry of an order of the Bankruptcy Court (i) finding that the Purchaser's failure to give such consent is commercially unreasonable under the circumstances and (ii) approving such action.

13.15 Schedules and Exhibits Incorporated. All Schedules and Exhibits attached hereto are incorporated herein by reference, and all blanks in such Schedules and Exhibits, if any, will be filled in as required in order to consummate the transactions contemplated herein and in accordance with this Agreement.

13.16 Time of Essence. Time is of the essence in this Agreement.

NOW, THEREFORE, in consideration of the above recitals, and mutual promises

and covenants contained herein, the parties intending to be legally bound, agree as follows:

ARTICLE I RETENTION AND SERVICES PROVIDED

1.1. Retention of Manager. Subject to the terms and conditions set forth in this Agreement, the Licensees hereby appoint and retain Manager to manage the Stations, and Manager hereby accepts such appointment and retention and agrees to manage the Stations, in each case pursuant to the terms and conditions hereinafter set forth. Without limiting the foregoing, subject to the provisions of Sections 5.3 and 5.4 hereof, the Licensees grant Manager the authority to grant retransmission consent with respect to the Stations to multichannel video programming distributors (“MVPDs”) who desire to carry the signal of one or more of the Stations.

1.2. Services Provided. Subject to the ultimate direction and control of the board of directors of Young Broadcasting Inc. or its successor (the “Board”) or the designated representative(s) of the Board (the “Board Representative(s)”), as identified to Manager in writing from time to time, and in accordance with the terms set forth in this Agreement, Manager agrees to provide the services specified in this Agreement to be performed by Manager (the “Services”), including the Services described in Section 1.2(c).

(a) Standard of Performance. In general, Manager will provide the Services with the same level of care, skill and diligence as it uses in the provision of similar services to its own television broadcast stations. In addition, such services shall be provided: (i) consistent with the applicable Operating Budget (as defined below) approved by the Board from time to time, subject to such modifications to the Operating Budget as may be approved by the Board Representative(s); provided, that if an Operating Budget in respect of any period has not yet been approved, Manager will provide the Services in a manner that, insofar as is reasonably within Manager’s control, is consistent with the Licensees’ past practices and the last Operating Budget that was approved by the Board (the “Legacy Budget”), but subject to reasonable variances from the Legacy Budget in light of the facts and circumstances then existing; (ii) in accordance with all applicable Communications Laws; and (iii) generally using good faith efforts to treat the Stations in a manner comparable to Manager’s stations and not to the detriment of the Stations.

(b) Control of the Stations. The Licensees retain ultimate responsibility for the programming and technical operations of the Stations, in each case to the full extent that the Communications Laws require. The Licensees are and shall remain responsible for operating the Stations in the public interest and controlling the day-to-day operations of the Stations in conformance with the Communications Laws, and nothing in this Agreement shall be construed to prevent or hinder the Licensees from retaining and exercising full and complete control over the Stations, including ultimate control of the Stations’ policies, finances, personnel, and programming, in each case to the full extent that the Communications Laws require.

(c) Responsibilities of Manager. Manager, through its senior management team, will have management responsibilities with respect to the Stations, except to the extent inconsistent with the Communications Laws and/or this Agreement, during the Term (as hereinafter defined). The Licensees, or their designee, will continue to employ all personnel necessary for the conduct of the operations of each Station, as determined by the Licensees. Each general manager or any other designated Station representative having the responsibilities typically carried out by the general manager of a television station (which the Licensees will designate for each Station) will consult with the President of Manager or another member of Manager's senior management team, as Manager may designate from time to time (the "Senior Management Designee" or "SMD"); provided, however, such general manager or other designated Station representative will be subject to the ultimate control of such Licensee and accountable solely to such Licensee in performing responsibilities with respect to the Station. As part of the Services, Manager's senior management team will serve as a resource for the Stations' general managers and other personnel of the Licensees as to matters concerning sales and promotion, programming alternatives, production (including news, spots and creative services), operations (including engineering, traffic and information technology), finance (including accounting, audit and cash management), contract administration and human resources. Without limiting the generality of, and subject to, Sections 1.2(a) and (b) hereof and the other terms and conditions set forth herein:

(i) The parties contemplate that, in general, the Licensees' cash management and other treasury functions will be carried out in a manner consistent with the Licensees' past practices (which cash management and other treasury functions have been previously described to Manager), subject to compliance with all applicable Communications Laws, and such that the Licensees' cash will be held separate from that of Manager, and the parties understand and agree that all cash and cash equivalents arising from or relating to the business or operation of the Licensees or any Station shall be maintained in accounts owned and controlled exclusively by the Licensees and the Stations, as applicable,. The parties recognize that, from time to time, Manager may receive payments, all or a portion of which are properly allocable and owed to one or more of the Stations and, in those instances, shall be deemed to have received, and shall hold, the proceeds of any such payments (to the extent allocable and owed to the Stations) in trust and shall deposit them in a separate account for the Licensees segregated from all other funds of Manager, and shall turn over any such proceeds that are so allocable to such accounts owned and controlled exclusively by the Stations, as applicable, as promptly as is practicable; provided, that such transfers shall in no event be made later than five (5) business days after receipt of such payment. Similarly, for administrative convenience, Manager may from time to time make payments on behalf of one or more of the Licensees and/or the Stations and, in that instance, will be entitled to reimbursement promptly after notice

(ii) If the Licensees do not have a controller (the "Controller") or do not hire a Controller, Manager may employ a Controller, at Licensees' expense (with reasonable compensation to be mutually agreed upon by Licensees and Manager) to oversee the Licensees' financial accounting and reporting functions, including the preparation and delivery by the Licensees of all such reports or other documents or information as may be

required to be delivered pursuant to any agreements of the Licensees, and including information pertaining to the audit of the financial statements and preparation of the tax returns of the Licensees (which will be at the expense of the Licensees) (the “Controller Reports”). To the extent any agreements of the Licensees require reports or other documentation to be certified by an officer of any Licensee, such reports and other documentation will be certified by officers of such Licensee and, if so requested by the Licensees, also certified by the Controller or another appropriate officer of Manager.

(iii) Manager will use commercially reasonable efforts to obtain for the Stations and/or the Licensees, or to assist them in obtaining, terms for the acquisition of programming for broadcast on the Stations as described herein below, carriage of the Stations on MVPDs, and purchases of equipment and other goods and services for the Stations or the Licensees, as the case may be, that take advantage of discounts and other favorable treatment available to Manager on a consolidated basis and/or available to other Manager Stations, taking into account, if applicable, each Station’s market size or network affiliation, the nature of the programming aired by it, and other facts or circumstances that the providers of such programming, carriage, equipment and other goods and services may deem to be relevant. At any time, the term “Manager Stations” means the television broadcast stations, other than the Stations, that Manager or any of its affiliates manages, programs, owns, operates or controls at such time.

(iv) Manager will advise the Licensees on the hiring and discharge (where appropriate) of the employees of each of the Stations, it being agreed that the Licensees shall remain the legal employers of such employees and that the Licensees will be responsible for all matters relating to the hiring and discharge of, and the terms and conditions of employment of, all such employees.

(v) Manager will use all commercially reasonable efforts to obtain all consents, licenses, permits, authorizations or approvals necessary for Manager to provide the Services as required by contracts, laws, regulations and other requirements applicable to Manager. Manager will assist the Licensees in their respective efforts (and at Licensees’ expense to obtain any approvals or consents identified by the Licensees, from time to time, that may be required under any of its respective contracts with other persons, including the contracts of the Licensees set forth on *Schedule 1.2(c)(v)* (the “Group-Level Contracts”), in order for Manager to perform the Services hereunder, including any consents, licenses, permits, authorizations or approvals needed to allow Manager to access or use services or systems provided to the Licensees by third-party vendors. To the extent any such consent, license, permit, authorization or approval is not obtained, Manager shall determine and adopt (at the Licensees’ expense, if such consent, license, permit, authorization or approval is required under any contract of, or legal requirement to the extent that it relates to, the Licensees) commercially reasonable alternative(s) in order to provide the Services.

(vi) At Licensees’ request, Manager’s corporate staff will provide support for website and internet functions of the Licensees and the Stations (the “Website Functions”) of the same character as that provided by Manager’s corporate staff to

the Manager Stations generally, and the Licensees will bear any actual reasonable incremental out-of-pocket expense to Manager therefor, as documented and evidenced to the reasonable satisfaction of the Licensees; provided, that Manager will bear Manager's fixed internal costs associated with the Website Functions.

(vii) The SMD (or another designee of Manager having comparable responsibilities with respect to some or all of the Manager Stations) will hold monthly operating reviews with the management personnel of each Station (in person or telephonically) to discuss performance and develop plans to reconcile any negative variances with respect to each Station's Operating Budget. Each such monthly operating review will include discussions regarding financial performance, programming, ratings, and key performance metrics for the Station in question.

(viii) Manager will provide advice, assistance and oversight in connection with the negotiation, drafting, execution (in accordance with the reasonable policies of the Licensees of which Manager is notified from time to time), replacement and enforcement of, and compliance with, contracts applicable to the Stations. In connection with the foregoing, Manager and appropriate members of its senior management team will endeavor to become reasonably familiar with the material contracts of the Stations and the Licensees.

(ix) Upon reasonable request of the Board, Manager will cause the Controller or Manager's CFO to participate in all of the Licensees' quarterly and annual meetings or conference calls with any agents and lenders of Licensees, and present the Controller Reports and review the Licensees' financial results for the previous fiscal quarter (or with respect to the meeting held after the last fiscal quarter of a fiscal year, the previous fiscal year), the financial condition of the Licensees, the projections presented for the current fiscal year of the Licensees, the Services provided by Manager under this Agreement, and the Retransmission Consent Agreements (as hereinafter defined).

(x) Subject to each Licensee's full authority, power, and control over the management and operations of the Stations and their programming, Manager shall provide programming and related services to each Station. Such related services shall include for each Station obtaining, analyzing, evaluating and recommending programming for the Station, including the scheduling of programming, the analysis of ratings results, preparation of overall marketing strategy and plans for the Station, and evaluation, negotiation, and enforcement of, and compliance with, existing and potential programming licenses (including retransmission consent agreements). All programming shall be subject to the Licensees' Policy Statement attached hereto as *Schedule 1.2(c)(x)*, as may be amended from time to time by the Licensees.

1.3 Rights and Responsibilities of Licensee. Without limiting the generality of Section 1.2(c), Licensee and Manager agree as follows:

(a) Other than the SMDs referred to in Section 1.2(c) and the Controller referred to in Section 1.2(c)(ii), the Licensees shall retain responsibility for employing all personnel involved in the operation of each Station who shall be responsible for the day-to-

day operation and advertising sales of the Stations. All such personnel shall remain under the exclusive direction or control of, and accountable solely to, the Licensees, including appropriate general managers or management personnel at each Station, in each case to the extent required by the Communications Laws.

(b) Subject to Section 1.2(c)(x) above, the Licensees (and the entities owning each Station, as applicable) shall retain responsibility for the broadcast of any and all programming over the Stations, as well as the payment therefor, in each case to the extent required by the Communications Laws. To that end, the Licensees (and the company owning each Station, as applicable) shall execute any and all programming agreements for the Stations, in each case to the extent required by the Communications Laws.

ARTICLE II TERM

2.1. Term. Subject to the provisions for early termination contained herein, the term of this Agreement shall commence (the “Commencement Date”) one (1) Business Day following the tenth (10th) day after the entry of the Sale Order, provided that such order has not been stayed pending appeal, or, upon the written request of the Purchaser (as defined in the Asset Purchase Agreement), such later date (which date shall be upon two (2) Business Days prior written notice from the Agent (as defined in the Asset Purchase Agreement)) as determined by the Agent at the direction of the Majority Lenders (as defined in the Asset Purchase Agreement) and shall expire December 31, 2012 unless terminated earlier pursuant to Section 6.1 of this Agreement (the “Term”).

ARTICLE III FINANCIAL MATTERS

(a) The Licensees shall be responsible for all liabilities, debts, and obligations arising from the acquisition of programming.

(b) The Licensees shall be responsible for the timely payment of all fees, costs, and other expenses associated with the day-to-day operation of the Stations, including, without limitation, all (i) corporate overhead, maintenance, repair and replacement expenses and capital expenditures and costs to and for the Stations’ transmission facilities, equipment, studios, and broadcast equipment, in the ordinary course; (ii) mortgage and/or lease payments, taxes, and

insurance relating to all real property owned or leased by the Licensees; (iii) any federal, state, and local taxes levied upon the Stations and the Licensees in connection with the operation of the Stations; (iv) electric, telecommunications, and other utility payments; (v) casualty and liability insurance for all Station facilities; (vi) all FCC regulatory fees and filing fees and assessments; and (vii) legal, accounting, engineering, and other professional fees and expenses relating to the Stations' operations, maintenance of the Stations' federal, state, and local licenses and permits, and compliance with federal, state, and local requirements.

3.3 Management Fees. As consideration for the management services provided by Manager under this Agreement, Licensees shall pay Manager the fees set forth on *Schedule 3.3* (the "Management Fees").

3.4 Out of Pocket Expenses. The Licensees shall reimburse Manager for its reasonable out-of-pocket costs and expenses incurred during the Term in the performance of its duties under this Agreement such as transportation (coach class only), lodging, meals, courier and long-distance telephone expenses; provided, however, that until consummation of the Asset Purchase Agreement pursuant to the Sale Order, each type of expense in excess of \$1,500 shall have been previously approved by the Licensees, and further provided that the Manager shall provide the Licensees with an accounting of expenses showing the date, amount and purpose of each expense and its relation to this engagement. Such expenses shall not include any compensation of salaries payable to Manager's employees, other than the Controller.

3.5 Financial and Other Information. During the Term, Manager shall deliver to Licensees a calculation of the Management Fees. Manager shall confer (in person or telephonically) on a quarterly basis with the Board with respect to the financial and other information described in this Section 3.

ARTICLE IV STATION PUBLIC INTEREST OBLIGATIONS

4.1 Licensee Authority. The Licensees shall be responsible for the compliance by the respective Stations with all Communications Laws and all other applicable laws. Each Licensee shall (a) continue to maintain and staff a main studio in compliance with the Communications Laws; (b) maintain the Station's local public inspection file in compliance with the Communications Laws; and (c) prepare and place in such inspection file in a timely manner all material required by Section 73.3526 of the FCC Rules. Each Licensee shall also maintain the station logs, receive and respond to telephone inquiries, and control and oversee any remote control point for the Station.

ARTICLE V ADDITIONAL RIGHTS AND OBLIGATIONS

5.1 Pre-Existing Contracts. Licensees (or Licensees' Affiliates) have pre-existing agreements with third parties for programming for the Stations as set forth on *Schedule 5.1(a)(i)* ("Pre-Existing Programming Contracts") and have pre-existing agreements for other products and/or services for the Stations ("Pre-Existing Other Contracts" and, together with the Pre-Existing Programming Contracts, the "Station Contracts"). The parties

acknowledge and agree that any responsibility for fulfilling obligations under such Station Contracts, including any payment obligations thereunder, shall be borne by the Licensees. Manager will consult with the Licensees on the advisability of terminating, or not renewing, any Station Contract.

5.2 Affiliate. “Affiliate” means, as applied to any person or entity, any other person or entity directly or indirectly controlling, controlled by or under common control with, that person or entity and for the purposes of this definition, “control” (including with correlative meanings, the terms “controlling”, “controlled by”, and “under common control with”) as applied to any entity, means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of that entity.

5.3 Mandatory Carriage/Retransmission Consent. Manager shall consult with Licensees prior to a Licensee making any election of mandatory carriage rights or retransmission consent pursuant to Section 76.64 of the FCC Rules and the provisions of the Cable Television Consumer Protection and Competition Act of 1992. Manager shall commit on a Licensee’s behalf with respect to such mandatory carriage rights or retransmission consent if and only if specifically requested by such Licensee; provided, however, that neither party shall have the right to determine to “go dark” for any of the Stations on any cable television systems, direct broadcast satellite, and other multichannel video programming distributors without the other party’s prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. The term “Retransmission Consent Agreement” means any retransmission consent agreement with an MVPD to which Manager or an Affiliate of Manager is a party and that may be applicable to any Station, including any successor, follow on, subsequent or replacement agreement.

5.4 Amendments to Retransmission Consent Agreements. In connection with any amendment, renewal, extension or similar modification of any of the terms of any Retransmission Consent Agreement or any other agreement pursuant to which retransmission consent is granted with respect to any Station, or, if not previously executed, any execution of any Retransmission Consent Agreement or any other agreement pursuant to which retransmission consent is granted with respect to any Station, including those now being negotiated, Manager shall request, and use good faith efforts to pursue, the inclusion of the relevant Licensees as a party to such agreement with respect to the Stations eligible for carriage by the applicable MVPDs, with rights and obligations comparable to those of Manager thereunder with respect to, in the case of Stations affiliated with a national television broadcast network (each, a “Network”), Manager Stations also affiliated with such Network or a comparable Network and, in the case of Stations not affiliated with a Network, Manager Stations not affiliated with a Network, including, in each case (if Manager has such a right), the right to assign the Licensees’ rights under such agreement with respect to a particular Station to any purchaser of such Station if the management arrangements under this Agreement remain in effect with respect to such Station(s) at or immediately prior to the time of the sale to such purchaser; provided that Manager shall not be obligated to subject itself or any other Person to any detriment (or any potential detriment that Manager reasonably believes in good faith may occur) or make any economic concession (or any other concession that Manager declines in good faith to make) in order to arrange for the inclusion of any member of the Licensees as such a party, and may abandon such pursuit as it in good faith

deems appropriate if Manager deems such abandonment to be advisable in the pursuit of the best interests of any or all of the Manager Stations and/or the Stations. “Person” means any natural person, corporation, limited liability company, limited partnership, general partnership, limited liability partnership, joint venture, trust, land trust, business trust, or other organization, irrespective of whether it is a legal entity, or any government and agency or political subdivision thereof.

5.5 Station Employees. Each Licensee shall continue to employ such management and staff-level employees as it deems in its own best interest and appropriate for the operation of the Station (the “Station Personnel”). The Station Personnel shall include such management and staff-level employees to direct the day-to-day operations of the Stations as necessary to comply with the Communications Laws regarding main studio staffing and as necessary to enable Licensees to perform their obligations under this Agreement. The Station Personnel will report to and be accountable solely to the applicable Licensees. Upon request by any Licensee, the Manager will advise such Licensee on staffing and employment matters.

5.6 Maintenance of FCC Licenses. Licensees will maintain the validity of the licenses issued to them for the operation of the Stations, except for such FCC licenses no longer needed for the operation of the Stations.

5.7 Budget. Manager will oversee the preparation of the Stations’ consolidated annual operating budget (any operating budget approved by the Board being referred to herein as an “Operating Budget”). Not later than January 31 of each calendar year during the Term, the Licensees shall deliver to Manager for the latter’s review and comment an Operating Budget for the Stations setting forth in reasonable detail, (i) revenue budget for the Stations setting forth the projected sales revenues with respect to such calendar year, as well as the assumptions underlying those projections, (ii) monthly income statements, on a per Station basis, (iii) working capital assumptions, (iv) capital expenditure analysis on a per project, per Station basis, and (v) an explanation of material changes to each Station’s income statement (including the broadcast cash flow) between prior calendar year and forecasted year. Not later than forty-five (45) days prior to the end of each calendar year during the Term, the Licensees shall (with the oversight of Manager) prepare and deliver to Manager a preliminary Operating Budget for the Stations for the upcoming calendar year providing all such reports or other documents or information as may be required to be delivered pursuant to any agreements of Licensee for the purpose of Manager (with the assistance of Licensees) delivering budget information not later than thirty (30) days prior to the end of the calendar year to the Board for approval. Notwithstanding the foregoing, the right of the Board or the Board Representative(s) to have full, complete and immediate access to (A) the books and records of the Licensees, including access to any financial accounting reports and records created by Manager from time to time with respect to the Licensees and (B) any computer program and system utilized or maintained by the Licensees, shall not be affected or restricted in any way.

5.8 Insurance.

(a) Licensees shall maintain broadcasters’ liability insurance policies covering libel, slander, invasion of privacy and any other claims arising out of or related to any material broadcast on any of the Stations on or after the Commencement Date, general

liability, crime, property damage, business interruption, automobile liability, and workers' compensation insurance in forms and amounts as are customary in the television broadcast industry. The Licensees will name Manager as an additional insured on all applicable insurance policies, including but not limited to the broadcasters' liability, general liability, crime, and automobile liability policies, and will provide for notice to Manager prior to cancellation thereof. The Licensees shall provide certificates of insurance to Manager, evidencing procurement of all said insurance policies and demonstrating type of insurance, coverage amounts and additional insured status. Licensees also reserve the right to maintain other insurance policies not mentioned in this Section 5.8 on behalf of Manager which mirrors like policies maintained by the Licensees.

(b) Manager and each Licensee hereby agree, and shall cause their Affiliates to agree to, waive all claims which it may have, as well as its right of subrogation, with respect to any worker's compensation claim, property loss, business interruption loss, or economic loss to its property with respect to a Station arising out of the transactions contemplated by this Agreement against the other party hereto to the extent such waiving party actually receives insurance proceeds for any such claim from a third party insurance provider; provided, however, the waiver of claims as provided for above shall not be applicable to the portion of any damage which is not reimbursable by the damaged party's insurer because of any deductible permitted in the damaged party's insurance coverage; provided, further, however, that such waiver shall be effective only if such waiver does not diminish or negate any such insurance coverage.

ARTICLE VI TERMINATION

6.1 Right to Terminate. This Agreement may be terminated (a) at any time upon the mutual agreement of the parties; (b) by the non-defaulting party upon the occurrence of an Event of Default (as defined below) after the expiration of any applicable cure periods, if any, as set forth in Section 6.2; (c) by Licensees upon bona fide sale other than pursuant to the Sale Order to an unaffiliated third party of (i) the Stations, (ii) any parent company of the Stations, or (iii) all or substantially all the assets of the Stations; (d) by Licensees if Manager fails to meet the financial benchmarks set forth in *Schedule 6.1*; (e) by Licensees upon a default (whether or not the applicable lender has granted forbearance or waived enforcement of its remedies for such default) with respect to the payment of principal or interest under any material credit or loan agreement of Manager or any Affiliate of Manager or which would otherwise permit the lender or other counterparty under any such agreement to accelerate the indebtedness thereunder or terminate the relevant loan facility (including, without limitation, a default resulting from a breach of the covenant set forth in Section 7.8 (Leverage Ratio) of the Credit Agreement dated as of March 19, 2007, as amended, to which Manager is a party); or (f) by Licensees upon termination of the Asset Purchase Agreement in accordance with the terms thereof (other than pursuant to Section 10.1(e) of the Asset Purchase Agreement).

6.2 Events of Default.

(a) The occurrence of any of the following (after the expiration of any applicable cure periods) will be deemed an "Event of Default" by Manager under this Agreement if (i) Manager fails to observe or perform any obligation contained in this

Agreement and such failure results or would be reasonably likely to result in a material adverse effect on the financial condition, assets or results of operations of the Stations, taken as a whole; or (ii) Manager breaches any representation or warranty made by it under this Agreement and such breach results in a material adverse effect on the financial condition, assets or results of operations of the Stations, taken as a whole.

(b) The occurrence of the following (after the expiration of any applicable cure periods) will be deemed an “Event of Default” by the Licensees under this Agreement: (i) the Licensees fail to timely pay the Management Fees or make any other payment required under this Agreement when due and such failure remains uncured for a period of thirty (30) days after Manager has provided the Licensees with written notice thereof; (ii) a Licensee fails to observe or perform any obligation contained in this Agreement and such failure results in or would be reasonably likely to result in a material adverse effect on the financial condition, assets or results of operations of the Stations, taken as a whole, or of Manager; or (iii) a Licensee breaches any representation or warranty made by it under this Agreement and such breach results in a material adverse effect on the financial condition, assets or results of operations of the Stations, taken as a whole, or of Manager.

(c) Notwithstanding the foregoing, any non-monetary Event of Default will not be deemed to have occurred until thirty (30) days after the non-defaulting party has provided the defaulting party with written notice specifying the Event of Default and such Event of Default remains uncured; provided, however, such cure period shall be extended up to forty-five (45) days (or such longer extension period as mutually agreed to by the parties) if the defaulting party is diligently pursuing a cure but is unable to cure the Event of Default within the initial thirty (30) day cure period.

(d) Upon the occurrence of an Event of Default, and in the absence of a timely cure pursuant to this Section 6.2, the non-defaulting party may terminate this Agreement, effective immediately upon written notice to the defaulting party.

6.3 Effect of Termination; Survival.

(a) If the Term of this Agreement expires without renewal, or if this Agreement is terminated for any reason, the parties agree to cooperate with one another and to take all actions necessary to effect a smooth transition to Licensees of the functions provided by Manager. The termination of this Agreement shall be without prejudice to any rights that shall have accrued to the benefit of any party prior to such termination.

(b) Upon termination or expiration of this Agreement, (i) the Management Fees shall be prorated to the date of termination and shall be due within sixty (60) days of termination or expiration of this Agreement; and (ii) the Licensees shall be required to promptly reimburse Manager for any expenses incurred by Manager prior to the end of the Term as set forth in this Agreement.

6.4 Renegotiation Upon FCC Action. Should a change in the Communications Laws make it necessary to obtain FCC consent for the implementation, continuation, or further effectuation of any element of this Agreement, the parties hereto shall use their commercially reasonable efforts diligently to prepare, file, and prosecute before the

FCC all petitions, waivers, applications, amendments, and other related documents necessary to secure and/or retain FCC approval of all aspects of this Agreement.

ARTICLE VII INDEMNIFICATION

7.1 Indemnification by Licensee. Each Licensee, jointly and severally, will indemnify, defend, and hold harmless Manager, its Affiliates and all officers, directors, employees, stockholders, partners, members, and agents of Manager and its Affiliates (each, a “Manager Indemnatee”) from and against any and all claims, demands, costs, damages, losses, liabilities, and expenses of any nature (including reasonable attorneys’, accountants’ and experts’ fees, and disbursements), judgments, fines, settlements, and other amounts (collectively, “Damages”) arising out of or resulting from acts or omissions of any Licensee involving: (a) ownership and operation of the Stations; (b) breaches of this Agreement or other agreements entered into pursuant to this Agreement; (c) illegal anti-competitive or trade practices; or (d) a Licensee’s gross negligence or willful misconduct in the performance of its obligations under this Agreement.

7.2 Indemnification by Manager. Manager will indemnify, defend, and hold harmless each Licensee, its Affiliates and all officers, directors, employees, stockholders, partners, members, and agents of each Licensee and its Affiliates (each, a “Licensee Indemnatee”) from and against any and all Damages arising out of or resulting from acts or omissions of Manager involving (a) breaches of this Agreement or other agreements entered into pursuant to this Agreement; (b) illegal anti-competitive or trade practices or (c) Manager’s gross negligence or willful misconduct in the performance of its obligations under this Agreement.

7.3 Responsibility; No Set-off.

(a) For the avoidance of doubt, the Licensees’ obligation to indemnify under Section 7.1 and Manager’s obligation to indemnify under Section 7.2 are the full responsibility of the applicable indemnifying party (*i.e.*, Licensees with respect to Section 7.1 and Manager with respect to Section 7.2) and any Damages for which any party hereto is required to indemnify the other party hereto pursuant to shall not be included in the calculation of the Management Fees pursuant to *Schedule 3.3*.

(b) No Licensee shall be entitled to set-off any amount of the Management Fees by the amount of any Damages for which such Licensee seeks indemnification pursuant to Section 7.2.

7.4 Indemnification Procedures. The indemnified party shall give prompt written notice to the indemnifying party of any demand, suit, claim or assertion of liability by third parties or other circumstances that could give rise to an indemnification obligation hereunder against the indemnifying party (a “Claim”), but a failure to give such notice or delaying such notice shall not affect the indemnified party’s right to indemnification and the indemnifying party’s obligation to indemnify as set forth in this Agreement, except to the extent the indemnifying party’s ability to remedy, contest, defend or settle with respect to such Claim is

thereby prejudiced. The indemnifying party shall have the right to undertake, by counsel or other representatives of its own choosing, the defense or opposition to such Claim. In the event that the indemnifying party shall elect not to undertake such defense or opposition, or, within twenty (20) days after written notice (which shall include sufficient description of background information explaining the basis for such Claim) of any such Claim from the indemnified party, the indemnifying party shall fail to undertake to defend or oppose, the indemnified party (upon further written notice to the indemnifying party) shall have the right to undertake the defense, opposition, compromise or settlement of such Claim, by counsel or other representatives of its own choosing, on behalf of and for the account and risk of the indemnifying party.

Notwithstanding anything herein to the contrary (i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the Claim, and shall have the right to consult with the indemnifying party and its counsel concerning such Claim, and the indemnifying party and the indemnified party shall cooperate in good faith with respect to such Claim; and (ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any Claim or consent to entry of any judgment which does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such Claim.

The commercial mention of any business activity or "plug" for any commercial, professional, or other related endeavor, except where contained in an actual commercial message of a sponsor, is prohibited.

2. **No Lotteries.** Announcements giving any information about lotteries or games prohibited by applicable federal or state law or regulation are prohibited.

3. **Election Procedures.** At least fifteen (15) days before the start of any primary or election campaign, each Licensee's station manager will clear the rates to be charged for the time to be sold for use by qualified candidates for the public office and/or their supporters to make certain that the rates charged are in conformance with applicable law and the Station's policies.

4. **Required Announcements.** Each Station shall broadcast (a) an announcement in a form satisfactory to Licensee at the beginning of each hour to identify the Station and (b) any other announcements that may be required by law or regulation.

5. **No Illegal Announcements.** No announcements or promotion prohibited by applicable federal, state law or regulation shall be made over any Station.

6. **Licensee Discretion Paramount.** In accordance with each Licensee's responsibility under the Communications Laws, each Licensee reserves the right to reject or terminate any advertising proposed to be presented or being presented over the Station which is in conflict with established policies of the Station or which in a Licensee's or its station manager's reasonable judgment would be contrary to the public interest.

In carrying out the programming of the Stations, the following shall apply:

A. **Licensee Authority.** Notwithstanding any other provision of this Agreement, Manager recognizes that Licensees have certain obligations to operate the Stations in the public interest and to broadcast programming to meet the needs and interests of the Stations' communities of license and service areas. From time to time each Licensee shall air programming on issues of importance to the local community. Nothing in this Agreement shall abrogate or limit the unrestricted authority of a Licensee to discharge Licensee's obligations to the public and to comply with the Communications Laws, and no Licensee shall have any liability or obligation to Manager for taking any action that such Licensee deems necessary or appropriate to discharge such obligations or comply with the Communications Laws.

C. Licensee Control of Station Programming. Notwithstanding any contrary provision contained in this Agreement, and consistent with each Licensee's obligations pursuant to the Communications Laws, a Licensee shall have the right to delete any material contained in any programming or commercial matter that Licensee determines in good faith is unsuitable for broadcast or the broadcast of which Licensee believes in good faith would be contrary to the public interest.

D. Political Advertising. Each Licensee shall oversee and shall take responsibility for its Station's compliance with the political broadcasting rules of the FCC and Sections 312 and 315 of the Communications Act, including, but not limited to, the provision of equal opportunities, compliance with lowest unit charge requirements, and the provision of reasonable access to federal political candidates. Manager shall cooperate with the Licensees, to assist Licensees in complying with the political broadcasting rules of the FCC.

AGREEMENT; (2) ESTABLISHING CURE AMOUNTS AND
APPROVING ASSUMPTION AND ASSIGNMENT OF CERTAIN
CONTRACTS AND LEASES; AND (3) GRANTING RELATED RELIEF**

Young Broadcasting, Inc. and its subsidiaries (the “Debtors”) filed chapter 11 cases in this United States Bankruptcy Court for the Southern District of New York (the “Court”) on February 13, 2009 (the “Petition Date”), case no. 09-10645 (AJG).

On April 2, 2009, this Court entered its *Order (I) Approving Bidding Procedures In Connection With An Investment Or Sale Transaction; (II) Authorizing The Debtors To Enter Into A Stalking Horse Agreement In Connection With An Investment Or Sale Transaction; (III) Approving The Payment Of Termination Fee In Connection Therewith; (IV) Setting Auction And Hearing Dates; And (V) Approving Procedures For The Assumption And Assignment Of Executory Contracts* (docket no. 207, and together with the Bidding Procedures attached thereto, the “Bidding Procedures Order”). Pursuant to the Bidding Procedures Order, the Court, among

¹ The Debtors are Young Broadcasting, Inc. and its direct and indirect subsidiaries: Young Broadcasting of Lansing; Inc., Young Broadcasting of Louisiana, Inc.; Young Broadcasting of Nashville, LLC; Young Broadcasting of Albany, Inc.; Young Broadcasting of Richmond, Inc.; Young Broadcasting of Knoxville, Inc.; Young Broadcasting of Green Bay, Inc.; Young Broadcasting of Davenport, Inc.; Young Broadcasting of Sioux Falls, Inc.; Young Broadcasting of Rapid City, Inc.; Young Broadcasting of San Francisco, Inc.; Young Broadcasting of Nashville, Inc.; Young Broadcasting of Los Angeles, Inc.; Young Broadcasting Shared Services, Inc.; Adam Young, Inc.; WKRN, G.P.; WATE, G.P.; KLFY, L.P.; YBT, Inc.; YBK, Inc.; LAT, Inc.; Winnebago Television Corporation; Fidelity Television, Inc.; and Honey Bucket Films, Inc.

other things: (i) authorized the Debtors to conduct a process for the marketing and sale of substantially all of the Debtors' Business and assets, conduct an auction, identify the prevailing bid, file an auction report, and file a form of order approving the transaction with the prevailing bidder; (ii) authorized the Agent² to credit bid the claims of the Prepetition Secured Lenders (the "Secured Obligations") at the auction; and (iii) initially set June 25, 2009 as the hearing to consider approval of a sale to the prevailing bidder, which date was subsequently moved to July 15, 2009 (the "Initial Sale Hearing") with the consent of the Agent and the Committee.

At the Initial Sale Hearing, the Debtors reported that: (i) the Debtors made contact with 69 potential buyers; 29 of the 69 potential buyers executed confidentiality agreements; 25 of the 29 parties to confidentiality agreements accessed a data room which included a vast array of due diligence information regarding the Debtors; the Debtors provided extensive management presentations to 17 of the potential bidders that had conducted due diligence; the Debtors received 7 indications of interest, and ultimately 3 Qualified Bids³ (as defined in the Bidding Procedures Order); (ii) two Qualified Bids each offered \$120 million for substantially all of the Debtors' assets; the Agent credit bid \$200 million of the Secured Obligations (the "Credit Bid") plus assumed approximately \$20 million of liabilities; the Debtors valued the Agent's bid at approximately \$220 million, and requested that the other two Qualified Bids raise their bids; but the other bidders declined to raise their bids or to participate further at an auction; and (iii) the Debtors determined that the Agent's bid was the highest and best bid and that the Agent was the Prevailing Bidder. The Debtors also reported at the Initial Sale Hearing that they expected to

² All capitalized terms used but not defined in this Order are used as defined in the Purchase Agreement.

³ The Debtors also received a \$215 million bid; however the bid was not a Qualified Bid because, among other things, the bidder failed to post a deposit, which was required by the Bidding Procedures Order.

complete documentation of the sale transaction with the Prepetition Secured Lenders in a few days, and the Court continued the Initial Sale Hearing to July 22, 2009 (the “Sale Hearing”).

At the Sale Hearing, the Debtors reported that the Buyer would be New Young Broadcasting Holding Co., Inc. (“Buyer”), an entity to be formed and owned by the Prepetition Secured Lenders (the Buyer, Agent and Prepetition Secured Lenders, collectively, the “Buyer Parties”). At the Sale Hearing, the Debtors sought approval of the sale of substantially all of their assets (collectively, the “Sellers”) to Buyer, free and clear of all Liens, Claims, Interests and Encumbrances (the “Sale”) in accordance with the terms and conditions of the Asset Purchase Agreement (the “Purchase Agreement”) and related Management Agreement (attached hereto as Exhibit A and Exhibit B, respectively), and pursuant to Sections 105, 363, and 365 of title 11 of the United States Code, 11 U.S.C. §§ 101 *et seq.*, as amended (the “Bankruptcy Code”), and Rules 2002, 6004, 6006 and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) (the assets to be sold collectively defined in the Purchase Agreement and hereinafter referred to as the “Purchased Assets”).

The Committee of Unsecured Creditors (“Committee”) filed an objection to the Sale arguing, among other things, that the Debtors had failed to justify selling substantially all of the assets of the Debtors outside of a chapter 11 plan process under standards established in Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.), 722 F.2d 1063 (2d Cir. 1983) (“Lionel”) and its progeny.

Upon consideration of the Debtors’ request for entry of an order approving and authorizing (i) the Sale, (ii) the Purchase Agreement, (iii) the Management Agreement, (iv) the Proposed Transactions, and (v) certain related issues, as more fully described in the Purchase Agreement; and this Court having conducted the Sale Hearing on July 22, 2009; and the Debtors

having served notice of the Bidding Procedures, Auction and the Sale Hearing upon all parties entitled thereto; and the Debtors having published notice of the Auction and the Sale Hearing in the national edition of the *Wall Street Journal* on April 13, 2009; and the Court having considered each of the objections filed to the relief being granted herein; and the Court having reviewed and considered the testimony and exhibits admitted into evidence at the Sale Hearing, if any, along with the arguments of counsel, and having considered the proceedings had before the Court in connection with this matter and throughout these Chapter 11 cases; and it appearing that the relief sought by the Debtors, as modified at the Sale Hearing, is reasonable, necessary and in the best interests of the Debtors' creditors and estates; and after due deliberation and good and sufficient cause appearing therefor,

THE COURT HEREBY FINDS, DETERMINES AND CONCLUDES

THAT:

A. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted, and shall be construed and deemed, conclusions of law. To the extent any of the following conclusions of law constitute findings of fact, they are adopted, and shall be construed and deemed, as findings of fact.

B. The Court has jurisdiction to hear and determine the propriety of, and to approve and authorize the Sale, the Purchase Agreement, the Management Agreement and the Proposed Transactions pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(b). Venue of these cases in this district is proper under 28 U.S.C. §§ 1408 and 1409. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

C. The statutory predicates for approval of the Purchase Agreement, Management Agreement, Proposed Transactions and Sale are Sections 105, 363, 365 and 1129 of the Bankruptcy Code and Bankruptcy Rules 2002, 6004, 6006 and 9014.

D. As evidenced by the affidavits of service and publication previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate and sufficient notice of the Bidding Procedures Order, the form of this Order, the Sale Hearing, and of the Debtors' intent to seek entry of this Order, approval and authorization of the Purchase Agreement, Management Agreement and Proposed Transactions, the determination of the cure amounts associated with the assumption and assignment of the Assumed Contracts and the authority to assume and assign the Assumed Contracts, has been provided in accordance with Bankruptcy Rules 2002(a), 6004(a) and 6006(c) and in compliance with the Bidding Procedures Order, (ii) such notice was adequate, sufficient and appropriate under the particular circumstances of these Bankruptcy Cases and reasonably calculated to reach and apprise all holders of Interests, of the Auction, the Bidding Procedures, and the Sale Hearing, and, (iii) such notice afforded all interested parties a reasonable opportunity to object and be heard with respect to the relief requested by the Debtors, (iv) such notice afforded all creditors, equityholders, other parties-in-interest and prospective bidders a reasonable and fair opportunity to bid for the Purchased Assets, and (v) no other or further notice of the Sale Hearing or the Sale is necessary.

E. The Debtors have complied with the Bidding Procedures Order by, among other things, providing notice of the deadline to submit bids for the Debtors' Business and assets, reviewing the bids received for the assets and determining, in consultation with their financial and legal advisors, which bids were Qualified Bids for purposes of the Auction.

F. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing, and (ii) the representations of counsel made on the record at the Sale Hearing, the Debtors and their financial advisor, UBS Securities LLC (“UBS”), diligently and in good faith marketed the Debtors’ assets to secure the highest or best offer therefor in compliance with the Bidding Procedures Order by, *inter alia*, delivering solicitation materials to potential purchasers, inviting the potential purchasers to meet with the Debtors’ management, UBS, and other of the Debtors’ professionals, providing each of them with the opportunity to conduct extensive due diligence, and providing each potential purchaser an opportunity to bid for the Debtors’ assets in accordance with the Bidding Procedures approved by the Court. Additionally, the Debtors delivered the Bidding Procedures Order to each of the entities that had previously expressed an interest in the Debtors’ assets.

G. The auction and sale of the Debtors’ Business and assets was duly noticed and conducted in a noncollusive, fair, and good faith manner and a reasonable opportunity has been given to any interested party to make a higher and better offer for the assets. The marketing of the Debtors’ Business and assets took place over an approximate six month period. The Debtors’ marketing efforts and the sale process resulted in a market test and a fair valuation of the Purchased Assets. The Debtors actively marketed the Debtors’ Business and assets and had adequate time to do so, all interested parties had ample time and sufficient opportunity to make bids, and the bids that were obtained represented the best price that could be obtained for the Debtors’ Business and assets at this time.

H. The terms and conditions set forth in the Purchase Agreement, and the transactions contemplated thereby, represent fair and reasonable terms and conditions, including the amount of the purchase price, and constitute the highest or best offer obtainable for the assets

and are fair and adequate. No further bids or offers for the Purchased Assets shall be considered or accepted after the date hereof except (a) pursuant to a chapter 11 plan for the Debtors confirmed by this Court or (b) if the Purchase Agreement is terminated in accordance with its own terms.

I. The Management Agreement is a contractual mechanism used in broadcast industry mergers, acquisitions and asset sales, pursuant to which the sellers of the broadcast assets contract with the buyer or a third party operator acceptable to the buyer, to manage and operate the business assets pending approval of the transfer of ownership by the FCC. Such agreements have been approved by other bankruptcy courts authorizing Section 363 sales of broadcast assets, and are recognized by the FCC as legitimate operational arrangements during the period between the execution of a sale agreement and consummation of a transaction that requires prior FCC approval. It is appropriate that the Sellers enter into the Management Agreement with Gray Television, Inc., a third party operator acceptable to the Buyer Parties. The Sellers have exercised their reasonable business judgment in negotiating the terms of the Management Agreement, the terms of the Management Agreement were negotiated at arm's length and such terms are fair and reasonable.

J. Pursuant to the terms of the Asset Purchase Agreement, within thirty days after entry of this Order (as long as the Order has not been stayed on appeal), the Debtors have agreed to reconstitute the Board of Directors of Debtor Young Broadcasting Inc., such that the Board shall be reduced to five members, consisting of: (i) Mr. Vincent Young (the current, Chairman of the Board, President and Chief Executive Officer of the Debtors), (ii) two other current Board members, and (iii) two new independent directors recommended by the Buyer Parties and elected by the current Board (the "Board Reconstitution"). Such an arrangement is

consistent with the intent of the deleveraging and restructuring transactions that are at the heart of the Proposed Transactions, and it is appropriate that the Debtors, in the exercise of their sound business judgment, effectuate such an arrangement.

K. The Purchase Agreement and the Proposed Transactions were negotiated and have been and are undertaken by the Debtors and the Buyer Parties at arms' length without collusion or fraud, and in good faith. There is no evidence of insider influence or improper conduct by any of the Buyer Parties or their affiliates in connection with the negotiation of the Purchase Agreement with the Debtors. The Debtors established a due diligence room in which the information provided to the Buyer Parties in connection with the negotiation of the Purchase Agreement was also provided to other potential bidders for the Debtors' Business and assets. There was also no evidence of fraud or collusion among the Buyer Parties, their affiliates and any other bidders for the Debtors' assets, or collusion between the Debtors and the Buyer Parties or their affiliates to the detriment of any other bidders.

L. Immediately prior to the entry of this Order, the Buyer Parties were not an "insider" or "affiliate" of any of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors or stockholders existed between the Buyer Parties and any of the Debtors. Pursuant to the Purchase Agreement, Buyer will not purchase all of the Debtors' assets in that Buyer will not purchase any of the Excluded Assets, and Buyer will not hold itself out to the public as a continuation of the Debtors. Those of the Debtors' employees who are to be employed by Buyer pursuant to the Purchase Agreement will be hired under new employment contracts or other arrangements to be entered into or to become effective at the time of the Closing. The Sale and the Proposed Transactions are not and do not amount to a consolidation, merger or *de facto* merger of any of the Buyer Parties and the Debtors and/or the

Debtors' estates, there is not substantial continuity between any of the Buyer Parties and the Debtors, there is no continuity of enterprise between the Debtors and any of the Buyer Parties, Buyer is not a mere continuation of the Debtors or the Debtors' estates, and Buyer does not constitute a successor to the Debtors or the Debtors' estates.

M. On March 4, 2009, the Court entered its *Final Order (I) Authorizing the Use of Cash Collateral, (II) Granting Adequate Protection to Certain Pre-Petition Secured Parties, and (III) Granting Related Relief* (docket no. 65) (the "Final Cash Collateral Order"). Pursuant to Paragraph 4 of the Final Cash Collateral Order, the Debtors acknowledged and stipulated that (i) the Secured Obligations owing to the Prepetition Secured Lenders are in an amount of at least \$338 million, are valid, and are not subject to any objection, defense, counterclaim or offset, (ii) the Secured Obligations are secured by first priority liens (the "Prepetition Liens") on substantially all of the assets of the Debtors (the "Prepetition Collateral"), and (iii) the Prepetition Liens are legal, valid, enforceable, non-avoidable, and duly perfected first priority security interests in and liens upon the Prepetition Collateral not subject to avoidance, recharacterization or subordination under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise (collectively the "Stipulations and Admissions"). Pursuant to Paragraph 11 of the Final Cash Collateral Order, the Stipulations and Admissions contained in the Final Cash Collateral Order are now binding upon all parties-in-interest, including the Committee. Accordingly, at the time of the Sale Hearing, the Agent and Prepetition Secured Lenders held secured claims, allowed on a final basis, in an amount of at least \$338 million under the Credit Agreement and the mortgages, guaranties and all other documentation executed or delivered in connection therewith (collectively, the "Credit Documents"), which secured

claims the Agent and Prepetition Secured Lenders were entitled to credit bid pursuant to Bankruptcy Code Section 363 and this Court's Bidding Procedures Order.

N. Prepetition Secured Lenders holding more than ninety percent (90%) in amount of the Secured Obligations executed a "Lender (1) Consent re Agent Credit Bid, and (2) Agreement to Vote Claims in Favor of Chapter 11 Plan Implementing Credit Bid or Debt for Equity Exchange" (the "Lender Consents"), pursuant to which the Prepetition Secured Lenders, in an amount well in excess of the 51% majority requirement under the Credit Documents, instructed the Agent that, unless directed otherwise by the Majority Lenders, the Agent shall make a credit bid of some or all of the Secured Obligations for the Business and assets of the Debtors. The Credit Bid made by the Agent for all of the Prepetition Secured Lenders: (i) was authorized under the Credit Document and this Court's Bidding Procedures Order, and authorized by written Lender Consents from holders of more than 90% in amount of the Secured Obligations; (ii) was valid, authorized and proper under, and consistent with the provisions and purposes of, Bankruptcy Code Sections 363(b) and 363(k); and (iii) is binding upon all Prepetition Secured Lenders.

O. The Sellers have the legal power and corporate authority to convey all of their right, title and interest in and to the Purchased Assets to Buyer under a sale approved pursuant to a chapter 11 plan. Each Seller has: (i) full power and corporate authority to execute the Purchase Agreement and Management Agreement and all other documents contemplated thereby, and the sale of the Purchased Assets in accordance with the Purchase Agreement by the Sellers and related matters have been duly and validly authorized by all necessary corporate action of each of the Sellers; (ii) the necessary corporate power and authority necessary to consummate the Proposed Transactions; and (iii) taken all corporate action necessary to

authorize and approve the Purchase Agreement and Management Agreement and the consummation by such Seller of the Proposed Transactions in connection with confirmation of a chapter 11 plan.

P. The Debtors have demonstrated compelling circumstances and a good, sufficient and sound business purpose and justification for entering into, but not consummating, the Purchase Agreement. Such business reasons include, but are not limited to, the following: (i) the Purchase Agreement constitutes the highest and best offer for the Purchased Assets received by the Debtors at the auction; (ii) the Purchase Agreement presents an opportunity to realize the value of the Purchased Assets on a going concern basis and avoid decline and devaluation of the Debtors' business. The Debtors' entry into the Purchase Agreement and Management Agreement, constitute the Debtors' exercise of sound business judgment and such acts are in the best interests of the Debtors, their estates, and all parties in interest.

Q. The consideration to be provided by Buyer pursuant to the Purchase Agreement is the highest or otherwise best offer received by the Debtors at the auction, and the Purchase Price constitutes (a) reasonably equivalent value under the Bankruptcy Code and Uniform Fraudulent Transfer Act, (b) fair consideration under the Uniform Fraudulent Conveyance Act, and (c) reasonably equivalent value, fair consideration and fair value under any other applicable laws of the United States, any state, territory or possession, or the District of Columbia ((a), (b) and (c) collectively, "Value"), for the Purchased Assets.

R. Buyer would not have entered into the Purchase Agreement and would not consummate the Proposed Transactions, thus adversely affecting the Debtors, their estates, and their creditors, if the sale of the Purchased Assets and the assignment of the Assumed Contracts to Buyer was not free and clear of all Liens, Claims, Encumbrances, and Interests (individually

and collectively, the “Adverse Interests”), including, but not limited to, (1) those that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Buyer’s interest in the Purchased Assets, or any similar rights, (2) those relating to Taxes arising under or out of, in connection with, or in any way relating to the operation of the assets prior to the Closing, and (3) (a) those arising under all mortgages, deeds of trust, security interests, conditional sale or other title retention agreements, pledges, Liens, judgments, demands, Encumbrances, rights of first refusal or charges of any kind or nature, if any, including, but not limited to, any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership and (b) all debts arising in any way in connection with any agreements, acts, or failures to act, of any of the Sellers or any of the Sellers’ predecessors or affiliates, Claims (as that term is defined in the Bankruptcy Code), obligations, liabilities, demands, guaranties, options, rights, contractual or other commitments, restrictions, interests and matters of any kind and nature, whether known or unknown, contingent or otherwise, whether arising prior to or subsequent to the commencement of these bankruptcy cases, and whether imposed by agreement, understanding, law, equity or otherwise, including, but not limited to, Claims otherwise arising under doctrines of successor liability and related theories to the extent permitted by law. Accordingly, a sale of the Purchased Assets other than one free and clear of Adverse Interests would impact materially and adversely the Debtors’ estates, and would yield substantially less value for the Debtors’ estates. In reaching this determination, the Court has taken into account both the consideration to be realized directly by the Debtors, and the indirect benefits of such Sale for the Debtors’ employees, the Debtors’ vendors and suppliers and the public served, directly and indirectly, by the functions performed by the Debtors’ employees and the Business. Therefore, the Sale contemplated by the Purchase

Agreement, if subsequently confirmed as part of a plan of reorganization, is in the best interests of the Debtors, their estates and creditors, and all other parties in interest.

S. The Debtors have satisfied the standard set forth in section 363(f) of the Bankruptcy Code for selling the Purchased Assets free and clear of all Adverse Interests. The Prepetition Secured Lenders are consenting to the entry of this Order. The miscellaneous secured claims related to the Purchased Assets with priority over the liens of the Prepetition Secured Lenders are being assumed or paid by Buyer pursuant to of the Purchase Agreement. In each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied, because either (a) the entities holding such Liens consent, by failing to object or waiving its objection or otherwise; (b) applicable non-bankruptcy law permits the sale of such property free and clear of such Liens; (c) the price at which the respective Purchased Assets are sold exceed the value of the Interests on such Purchased Assets; or (d) such entity could have been compelled to accept a money satisfaction of such Liens.

T. The Purchase Agreement provides for the assumption and assignment of the Assumed Contracts, which is an integral part of the Purchased Assets being purchased by the Buyer. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign and sell the Assumed Contracts to Buyer in connection with the consummation of the Proposed Transactions.

U. The Debtors have filed with the Court, and have served upon the non-Debtor parties to Contracts, one or more schedules (collectively, the “Cure Schedule”) setting forth the list of Contracts which may be assumed or assigned to Buyer and the amounts, if any, that the Debtors believe are required to be paid to assume each contract in accordance with section 365(b) of the Bankruptcy Code (the “Cure Costs”).

V. In the absence of a timely objection, the Cure Cost reflected in the Cure Schedule for any Assumed Contract is deemed to be accurate, and the fact that the Buyer is acquiring the Purchased Assets and hiring certain of the Debtors' personnel constitutes adequate assurance of future performance under such Assumed Contract. Based on the foregoing, section 365(b)(1) of the Bankruptcy Code has been satisfied. In accordance with the terms of the Purchase Agreement, upon the Closing of the Proposed Transactions in accordance with an order confirming a chapter 11 plan or a 363 order consummating the Proposed Transactions outside of a plan, the Buyer shall satisfy all Cure Costs solely as such costs are set forth in the Cure Schedule or any supplement thereto.

W. Immediate approval of the Purchase Agreement and Management Agreement is in the best interests of the Debtors, their creditors, their estates, and all parties in interest. Implementation of the Management Agreement beginning one business day after the tenth day following entry of this Order, is in the best interests of the Debtors, their creditors, their estates, and all parties in interest. The terms of the Purchase Agreement, Management Agreement and Board Reconstitution, and the implementation thereof by all parties, by itself, shall not cause any of the Buyer Parties to be deemed insiders for the purposes of Bankruptcy Code Section 1129(a)(10) and voting on any chapter 11 plan.

X. Article 5.11 of the Purchase Agreement contains the agreement of the Debtors and Buyer Parties that, at the election of Buyer, the parties will (a) effectuate the Sale under Sections 363 and 365 of the Bankruptcy Code, followed by a chapter 11 plan of liquidation funded by Buyer's assumption of liability for certain Winddown Costs, (b) effectuate the transfer of ownership of the Debtors' assets to the Prepetition Secured Lenders and ultimately to Buyer through a chapter 11 plan of reorganization in which the Prepetition Secured Lenders

receive 100% of the equity interest in the Reorganized Debtors, or (c) effectuate the Sale under Sections 363 and 365 of the Bankruptcy Code in conjunction with a chapter 11 plan ((a), (b) and (c), the “Plan Options”), as long as, under Plan Options (b) or (c), claims of the other creditors of the Debtors are treated at least as well as they would have been treated had the Sale closed solely under the authority of Section 363 and 365 of the Bankruptcy Code (Plan Option (a)). The Debtors may effectuate Plan Options (b) and (c) pursuant to a confirmed chapter 11 plan. The Debtors may not effectuate Plan Option(a) except upon further order of this Court (i) finding that the Lionel standards have been satisfied and (ii) authorizing the transfer of substantially all of the Debtors’ assets under Section 363 of the Bankruptcy Code outside of a confirmed chapter 11 plan.

**NOW THEREFORE, THE COURT HEREBY ORDERS, ADJUDGES AND
DECREEES AS FOLLOWS:**

1. This Order authorizes the Debtors to enter into and perform their obligations and commitments under the Purchase Agreement and Management Agreement, reconstitute the Board, and file a chapter 11 plan that consummates the Sale and Proposed Transactions under Sections 363, 365 and 1129 of the Bankruptcy Code. The Closing shall not occur prior to the confirmation of a chapter 11 plan solely under the authority of Bankruptcy Code Sections 363 and 365 except upon further order of the Court after notice and a hearing and the satisfaction of the standards for approval of sales outside of a chapter 11 plan context required under Lionel.

2. The Purchase Agreement and Management Agreement, and all of the terms and conditions thereof and exhibits thereto, are hereby approved, and the Debtors, their officers and agents are authorized and directed to perform thereunder, except they shall not

effectuate the Closing without further order of this Court confirming a chapter 11 plan or authorizing a sale under the Lionel standards. The Board Reconstitution is approved. The Debtors shall cooperate with the Buyer in preparing, filing, and diligently prosecuting all applications to the FCC and other governmental agencies appropriate or necessary for seeking approval of the Proposed Transactions. As provided in the Purchase Agreement, Closing of the Sale shall be conditioned upon, among other things, obtaining the FCC Consent.

3. In connection with confirmation of a plan pursuant to which the Sale would be consummated, the Sellers' assumption and assignment to Buyer of the Assumed Contracts, pursuant to sections 105(a) and 365(b)(1) and (f)(2) of the Bankruptcy Code and subject to and conditioned upon the Closing and the Buyer's assumption of such contracts on the terms set forth in the Purchase Agreement, is hereby approved and the requirements of section 365(b)(1) of the Bankruptcy Code with respect thereto are hereby deemed satisfied. No administrative expense liability is created by this Order with respect to the Assumed Contracts until the Closing.

4. The Assumed Contracts, upon assignment and sale to Buyer, shall be deemed valid and binding, in full force and effect in accordance with their terms. Upon the Closing, in accordance with Sections 363 and 365 of the Bankruptcy Code, Buyer shall be fully and irrevocably vested in all right, title and interest of the Debtors in, to or under each Assumed Contract.

5. Certain non-Debtor parties to contracts and leases (the "Objectors") filed objections to the amount listed in the Cure Schedule in respect of their contracts or leases with the Debtors, and/or reserved the right to enforce purported consent rights in their contracts or leases. The terms of this Order with respect to the assumption and assignment of the Objectors'

contracts or leases shall not apply to the specific complaint contained in the Objector's objection (i.e., cure amount, consent right, or adequate assurance) except upon a settlement reached between the Debtors and the Objector (which shall not require further Court order), or pursuant to further order of this Court.

6. All defaults or other obligations of the Debtors under the Assumed Contracts arising or accruing prior to the Closing Date (without giving effect to any acceleration clauses or any default provisions of the kind specified in Section 365(b)(2) of the Bankruptcy Code) shall be deemed cured by the payment or other satisfaction of the Cure Costs in the Cure Schedule (except with respect to Objectors that raised cure amount objections) and Buyer shall have no liability or obligation arising or accruing prior to the date of the Closing, except as otherwise expressly provided in the Purchase Agreement. The Cure Costs are hereby fixed at the amounts set forth on in the Cure Schedule, or any supplement or amendment thereto, and the non-Debtor parties to the Assumed Contracts are hereby forever bound by such amounts (except with respect to Objectors who raised cure amount objections). Except for the Cure Costs, there are no other defaults existing under the Assumed Contracts. The Cure Costs are not subject to further dispute or audit, including based on performance prior to the assumption, assignment and sale thereof, irrespective of whether such Assumed Contract contains an audit or similar clause; provided, however, that nothing in this paragraph shall alter or otherwise limit Buyer's obligation to pay or otherwise satisfy the liabilities assumed by Buyer under Section 2.2 of the Purchase Agreement.

7. Buyer shall pay or otherwise satisfy the Cure Amounts as soon as reasonably practicable following the Closing Date, but in no event later than 60 days after the

Closing Date (except where a Cure Amount is allowed after the Closing Date, in which event the Buyer shall have 30 days after entry of an allowance order to pay the Cure Amount).

8. Except for Buyer's obligation to pay or otherwise satisfy the Cure Amounts or as provided for in Section 2.2 of the Purchase Agreement, as applicable, each non-Debtor party to an Assumed Contract is hereby forever barred, estopped, and permanently enjoined from (i) asserting against Debtors or Buyer or the Purchased Assets any default, additional amounts or other Claims existing as of the Closing Date related to any Assumed Contract, whether declared or undeclared or known or unknown; and (ii) asserting against Buyer any counterclaim, defense or setoff, or any other claim, lien or interest, asserted or assertable against the Debtors related to any Assumed Contract.

9. There shall be no rent accelerations, assignment fees, increases or any other fees charged or chargeable to Buyer as a result of the assumption, assignment and sale of the Assumed Contracts. Any provisions in any Assumed Contract that prohibit or condition the assignment of such Assumed Contract, allow the party to such Assumed Contract to terminate, recapture, impose any penalty, condition renewal or extension, or modify any term or condition upon the assignment of such Assumed Contract, constitute unenforceable anti-assignment provisions, and are void and of no force and effect. The validity of the assumption, assignment and sale of the Assumed Contracts to Buyer shall not be affected by any existing dispute between any of the Debtors and any non-Debtor party to such Assumed Contract. Any party that may have had the right to consent to the assignment of its Assumed Contract is determined to have consented for the purposes of Section 365(e)(2)(A)(ii) of the Bankruptcy Code (except with respect to Objectors who raised consent right objections).

10. The designation of an agreement as an Assumed Contract shall not be a determination that such agreement is an executory contract within the meaning of Section 365 of the Bankruptcy Code.

11. The failure of the Debtors or the Buyer to enforce at any time one or more terms or conditions of any Assumed Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the Buyer's rights to enforce every term and condition of the Assumed Contracts.

12. The Purchase Agreement contains the Debtors' agreement not to bring Avoidance Actions with respect to any payment that would constitute a Cure Amount under an Assumed Contract, and such agreement (a) shall be binding upon all creditors and equity holders of the Debtors, the Committee, all successors and assigns of the Debtors and their affiliates and subsidiaries, and any trustees, examiners, "responsible persons" or other fiduciaries appointed in the Debtors' bankruptcy chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code, and (b) shall operate to bar, enjoin and estop any such persons and entities from commencing any such Avoidance Actions.

13. The ultimate consummation of the Sale and transfer of the Purchased Assets to Buyer shall be pursuant to a confirmed chapter 11 plan and shall be free and clear of (i) all Adverse Interests of any kind or nature whatsoever, with the exception of the Assumed Liabilities, (ii) any restriction on the use, voting, transfer, receipt of income or other exercise of any attributes of ownership of the Purchased Assets, and (iii) any claim, whether arising prior to or subsequent to the commencement of these bankruptcy cases, arising under doctrines of successor liability; and (b) except as otherwise expressly provided in the Purchase Agreement, all Adverse Interests shall be and hereby are released, terminated and discharged as to the Buyer

and the Purchased Assets. Nothing in this paragraph shall affect the Buyer's obligations with respect to Assumed Liabilities under the Purchase Agreement.

14. Except for the Assumed Liabilities and as otherwise expressly provided in the Purchase Agreement, a confirmed plan or a confirmation order, Buyer shall not be liable for any Claims against, and liabilities and obligations of, the Debtors or any of the Debtors' predecessors or affiliates. Without limiting the generality of the foregoing, (a) other than as specifically set forth in the Purchase Agreement, Buyer shall have no liability or obligation (x) to pay wages, bonuses, severance pay, benefits (including, without limitation, contributions or payments on account of any under-funding with respect to any pension plans) or any other payment to employees of the Debtors, or (y) in respect of any collective bargaining agreement, employee pension plan, employee health plan, employee retention program, employee incentive program or any other similar agreement, plan or program to which any Debtors are a party (including, without limitation, liabilities or obligations arising from or related to the rejection or other termination of any such plan, program agreement or benefit), and (b) Buyer shall in no way be deemed a party to or assignee of any such employee benefit, agreement, plan or program, and all parties to any such employee benefit, agreement, plan or program are enjoined from asserting against Buyer any Claims arising from or relating to such employee benefit, agreement, plan or program.

15. Any and all notices, if any, required to be given to Debtors' employees pursuant to the Worker Adjustment and Retraining Adjustment Act (the "WARN Act"), or any similar federal or state law, shall be the sole responsibility and obligation of the Debtors, and, provided it provides Debtors with timely notice, Buyer shall have no responsibility or liability therefore.

16. The Secured Obligations constitute allowed claims against each applicable Debtor and shall not be subject to any contest, objection, recoupment, counterclaim, defense, offset, subordination, recharacterization, avoidance, or other claim, challenge, or cause of action under the Bankruptcy Code, applicable non-bankruptcy law or otherwise, and the Prepetition Liens are legal, valid, binding, enforceable, duly perfected, not subject to any objection, counterclaim, setoff, offset of any kind, subordination, or defense, and such liens are otherwise unavoidable. The Prepetition Secured Lenders and Agent shall not be subject to any other or further claims, counterclaims, causes of action or lawsuits by any party-in-interest or any successor thereto that arise out of or relate to the Credit Documents. The Debtors and their estates, and any person or entity claiming derivative standing in respect of the Debtors or their estates, shall be deemed for all purposes to have forever released any and all claims, counterclaims or causes of action against the Prepetition Secured Lenders and Agent under the Credit Documents, and their respective affiliates, agents, directors, officers, employees, attorneys and advisors arising in connection with the Credit Documents.

17. Except as provided in the Purchase Agreement, a confirmed plan or confirmation order, after the Closing, the Sellers and their estates shall have no further liabilities or obligations with respect to any Assumed Liabilities and all holders of such Claims are forever barred and estopped from asserting such Claims against the Debtor, their successors or assigns, their property or their assets or estates. Buyer shall only be liable for such liabilities to the extent set forth in the Purchase Agreement. All holders of Claims are forever barred and estopped from asserting Claims against the Buyer Parties and the Purchased Assets related to the Excluded Assets and the Excluded Liabilities.

18. To the extent permissible under applicable law and/or regulation, applicable permitting authorities shall allow the Buyer to operate the facilities being acquired after Closing under the current Permits held by the applicable Seller until such time as such Permits are assigned to Purchaser or Purchaser obtains similar Permits in its own name.

19. The Purchase Agreement and the Management Agreement may be modified amended, or supplemented by the parties thereto, in a writing signed by each of the parties thereto, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtors' estates. Any dispute between the Debtors and the Buyer Parties prior to the Closing regarding the terms of, or rights or obligations under the Purchase Agreement or Management Agreement shall be resolved by this Court.

20. The consideration provided by Buyer for the Purchased Assets under the Agreement constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

21. The provisions of this Order are nonseverable and mutually dependent.

22. The failure specifically to include or make reference to any particular provisions of the Purchase Agreement or Management Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Purchase Agreement and Management Agreement are authorized and approved.

23. To the extent applicable, the automatic stay pursuant to Section 362 of the Bankruptcy Code is hereby lifted with respect to the Debtors to the extent necessary, without further order of the Court (i) to allow the Buyer Parties to give the Debtors any notice provided

for in the Purchase Agreement, and (ii) to allow the Buyer Parties to take any and all actions permitted by the Purchase Agreement or Management Agreement, subject in all respects to the terms of this Order.

24. Except to the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any Permit relating to the operation of the Purchased Assets sold, transferred or conveyed to Buyer on account of the filing or pendency of these Chapter 11 cases.

25. The Court retains jurisdiction, even after the closing of these chapter 11 cases, to: (1) interpret, implement and enforce the terms and provisions of this Order (including the injunctive relief provided in this Order) and the terms of the Purchase Agreement, all amendments thereto and any waivers and consents thereunder; (2) protect the Buyer Parties, and any of the Purchased Assets, from and against any of the Adverse Interests; (3) compel delivery of all Purchased Assets to Buyer; and (4) resolve any disputes arising under or related to the Purchase Agreement, the Sale or the Proposed Transactions, or Buyer's peaceful use and enjoyment of the Purchased Assets.

26. Nothing in this Order shall be deemed a determination with respect to the confirmation of a plan implementing the Proposed Transactions, nor waive any party's rights to object to any such plan, or any aspect of the Proposed Transactions to be consummated pursuant to such plan, including the Management Agreement.

THE HONORABLE ARTHUR J. GONZALEZ,
UNITED STATES BANKRUPTCY JUDGE
