Re: IHM LICENSES, LLC; FRN 0014042816
Request For Emergency Antenna
WENE (AM), 1430 kHz, Endicott, NY, Fac ID No. 19625

Dear Ms. Dortch:

On behalf of IHM LICENSES, LLC, licensee of WENE(AM), Facility ID 19625, Endicott, NY, (the "Station"), this letter is to request Special Temporary Authority ("STA") with parameters at variance with those specified in the station license:

The antenna pattern switching control system has suffered a failure and requires extensive wiring repairs. We are requesting STA for operation during daytime hours with night directional mode, with power reduced to 650 watts. Night operations, for now, are as licensed.

The interests of the public will be served by the station continuing to serve the community as repairs are made.

Please direct any inquiries regarding this matter to the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Troy Langham".

For the definition of a party for these purposes, see 47 C.F.R. Section 1.2002(b).
