## **Directional Antenna Installation Certification**

In compliance with FCC Regulation 73.316, section (c), paragraph (8), this is to certify that the ERI model LP-8AC-DA-SP directional antenna for Radio Stations KKHK operating at 95.5 Mhz and licensed to Denver, CO, has been erected according to design and installation instructions provided by Electronics Research, Incorporated (ERI) of Chandler, Indiana.

This document is in lieu of documentation from the licensed surveyor regarding antenna installation compliance.

The installation was supervised by Mr. Mark Steapleton, ERI Field Technician. Mr. Steapleton has been employed by ERI since 1982, has served in the capacity of Field Technician for the past fourteen (14) years, and has performed and supervised numerous installations.

Date: January 18, 2002
