Ladies and Gentlemen:

Fort Myers Broadcasting Company, licensee of WJUA(AM), Pine Island Center, Florida has been operating with Special Temporary Authority to compensate for Cuban interference.

The Cuban operations were monitored in the Florida Keys on October 19, 2013 by James Johnson and they continue to be a source of interference to WJUA.

Continued Special Temporary Authority will help overcome the interference to the WJUA service area.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Brian M. Johnson', with a long horizontal flourish extending to the right.
