DTV/NTSC & FM/HD Radio Conversion Upgrades
Georgia Public Telecommunications Commission

I certify that the antenna specified in the document titled "Jampro Antennas, Inc., WXVS-FM, JSCP-6D-DA, 90.1 MHz, December 18, 2007, Serial Number 14156" has been installed pursuant to the manufacturer's instructions described in said document.

This engineering statement has been prepared by or under the direct supervision of Robert Gehman, Jr., who states under penalty of perjury that he is president of Kessler and Gehman Associates, Inc., telecommunications consulting engineers with offices in Gainesville, FL; a professional engineer licensed in several states with an established record at the National Council of Examiners for Engineering and Surveying ("NCEES"); a member of the Association of Federal Communications Consulting Engineers ("AFCCE"); a member of the Institute of Electrical and Electronic Engineers ("IEEE"); a member of the Society of Broadcast Engineers ("SBE"); and the information contained in this statement is true and correct to the best of his knowledge and belief.

KESSLER AND GEHMAN ASSOCIATES, INC.

A handwritten signature in blue ink, which appears to read 'Robert Gehman, Jr.', is positioned above the printed name and title.
