

The map displays the New Jersey and Pennsylvania border area, showing the proposed and licensed 60 dBu contours for WRNJ. The map includes numerous towns and cities, with a blue line for the proposed 60 dBu contour and a green line for the licensed 60 dBu contour. Key locations marked include W224AS, WRNJ, and W284AQ mod. The map also shows the WRNJ 2 mV/m contour and the 41-00 and 40-45 frequency bands.
