

Affidavit

Certification of Installation of Directional Antenna for:

KUAF – University of Arkansas

By signing below, I hereby certify that I personally supervised the installation of an 8-bay directional antenna ERI model MP-8C-DA, manufactured by Electronics Research Incorporated, Chandler, Indiana and delivered to the site on June 21, 2019.

The antenna was properly installed per ERI's instructions, and in compliance with all specifications of the construction permit BPED-20161216ABE channel 217, frequency 91.3 at the proper location: N Lat 35 deg 50 min 41 sec and W Lon 94 deg 01 min 45 sec.

Qualifications of Engineer:

Eric Morris, Broadcast Engineer
472601 E 715 Rd., Westville, OK 74965 – 479-841-6394.

Eric Morris has served as a broadcast engineer for more than 27 years and holds a General Radiotelephone Operator License from the FCC and has been recognized as a Certified Professional Broadcast Engineer by the Society of Broadcast Engineers.

Eric Morris has served as a Broadcast Engineer for KUAF for more than 5 years and serves as the primary contract engineer for more than 10 other radio stations in Arkansas and Oklahoma.

I hereby certify that the above information is true and accurate to the best of my ability.
