

Butterfield Broadcasting Corp.
BNPFT-20030827ALB
New FM Translator, Channel 225
Wenatchee, WA

EXHIBIT 1

The sole purpose of this amendment is to report receipt of an FAA determination of no hazard for the specified antenna location and to provide an antenna structure registration number of 1240500. This update is reflected in the response to Section III-A, question 5. No other changes are being made by means of this amendment.

Respectfully submitted,

BUTTERFIELD BROADCASTING CORP.
