

ANTENNA ORIENTATION VERIFICATION

FCC Permit No.: BXPB-20061030ADQ
Prepared for: Green Mountain Communications, Inc.

Call Sign: WKAF-FM
Abington, MA
Job # 4-8833.04

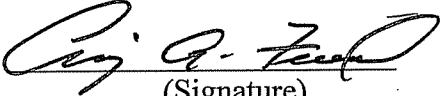

Sector	Frame (dms)	Antenna (dms)	Ant. C/L AGL (feet)	Plumb* Y/N
Alpha Tx ₁	N/A	308-48-11	386.7	Y

I hereby certify that the antenna orientations are within +/- 2 degrees of the required R.F. recommendations.

Note: BSC only certifies the azimuths at the time of the survey and that any movement of the antenna's (vertically or horizontally) after BSC has left the site **voids** the certification.
