

EXHIBIT 15
MULTIPLE OWNERSHIP SERVICE CONTOUR ANALYSIS
COCHISE BROADCASTING LLC
THAYNE, WYOMING
DECEMBER 2008

An analysis of KRFD (FCC Facility ID No. 164154) at Thayne, Wyoming (the “Facility”) and the proposed KRFD facility at South Park, Wyoming (the “Proposed Facility”) demonstrated compliance with the Commission’s radio multiple ownership rules. Neither the Facility nor the Proposed Facility is located in any rated Arbitron market. Neither Cochise Broadcasting LLC (the applicant) nor related family owned Desert West Air Ranchers Corporation, SkyWest Media LLC nor SkyWest Licenses New Mexico LLC has any interest in any other station, owned by or attributed to such ownership, whose principal community contour overlaps the principal community contour of the Facility or the Proposed Facility. Therefore, the provisions of the Commission’s radio multiple ownership rules are not applicable in this instance.
