In re: KNOF(FM), St. Paul, MN  
Facility ID #59624  
Selby Gospel Broadcasting, Corp.  
BPH-20090721ACI

Dear Applicant:

This letter refers to the above-captioned minor change application to change effective radiated power, transmitter location, and directional antenna.

An engineering study reveals that the facility specified in the application fails to meet the minimum spacing requirement of 47 C.F.R. § 73.207. Specifically, the facility is short-spaced by 2.2 kilometers to the co-channel Class C2 licensed facility (BMLH-20051108ACS) of KDJS-FM, Willmar, MN. KNOF recognizes this short-spacing and requests processing pursuant to 47 C.F.R. § 73.215. However, the proposed protected contour (60 dBu) would receive prohibited overlap from the interfering contour (40 dBu) of KDJS-FM by as much as 1.2 kilometers between the azimuths from 258°T to 274°T. This overlap constitutes an acceptance defect. Therefore, the application must be amended to demonstrate compliance with § 73.215.

Pursuant to 47 C.F.R. § 73.3522, "... an applicant whose application is found to meet the minimum filing requirements but nevertheless is not complete and acceptable shall have the opportunity in the 30-day period specified in the FCC staff's deficiency letter to correct all deficiencies in the tenderability and acceptability of the underlying application, including any deficiency not specifically identified by the staff." Additionally, 47 C.F.R. § 73.3564 states that "[a]pplications with uncorrected tender and/or acceptance defects remaining after the opportunity for corrective amendment will be dismissed with no further opportunity for amendment." See Appendix B in the Report and Order in MM Docket No. 91-347. This letter constitutes your opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3522.

Further action on the subject application will be withheld for a period of thirty days from the date of this letter to provide the KNOF opportunity to respond. Failure to correct all tender and acceptance defects within the thirty days from the date of this letter will result in the dismissal of the application with no further opportunity for corrective amendment pursuant to 47 C.F.R. § 73.3564. Please note, any amendment must be submitted in the same manner as the original application.

Sincerely,

Rodolfo F. Bonacci  
Assistant Chief
