Re: [Bonners Ferry - Facility ID 130171  
BMPTTL-20040616AAW]

Dear Mr. Hashemzadeh

Please dismiss above application for Bonners Ferry and consider this displacement application for same. A new engineering data sheet with new technical specifications has been worked up for a new channel 51. You will also find an interference study.

If you have any further questions regarding this matter, please do not hesitate to contact me at the telephone number below.

Sincerely,  
Moses Primo  
Director of Broadcasting  
Operations and Engineering
