Regarding installation of
Antenna for WAAF(FM), Westborough, Massachusetts
Construction Permit File Number: BPH-20030228AJE
FCC Facility ID Number: 74467**

September 19, 2005

Entercom Boston License, LLC, licensee of WAAF(FM), Westborough, Massachusetts has now installed the station's antenna pursuant to the antenna manufacturer's specifications in order to produce the directional antenna pattern specified in the construction permit, file number BPH-20030228AJE.

It is the undersigned's belief that the WAAF(FM) antenna is correctly installed and oriented so as to produce the directional antenna pattern specified in the construction permit.

The installation work was conducted under my direct supervision and within the scope of my understanding and expertise. I certify that I am a qualified broadcast radio engineer of 28 years experience.
