

**EXHIBIT 11****ASSIGNEE PARTIES TO THE APPLICATION****Description of Ownership of First Media Radio, LLC**

The proposed assignee, First Media Radio, LLC ("FMR"), is a Delaware limited liability company with three members: First Media Radio Holdings, LLC ("FMR Holdings"); Alex Kolobielski ("Kolobielski"); and William E. Prettyman, Jr. ("Prettyman").

Decisions affecting day-to-day operations are made by a Management Committee comprised of three Managers: Richard E. Marriott (as the appointee of FMR Holdings); Kolobielski; and Prettyman. Under the terms of FMR's Amended and Restated Limited Liability Company Agreement, as amended (the "LLC Agreement"), the voting power of each Manager is as follows:

FMR Holdings Appointee	3 Votes
(Richard E. Marriott)	
Kolobielski	1 Vote
Prettyman	1 Vote

Also under the terms of the LLC Agreement, consistent with Commission precedent governing permissible minority investor protection rights, certain extraordinary matters require at least a seventy-five percent (75%) vote of the Managers. However, all decisions on matters in the ordinary course of business require a 50% vote of the Managers. Consequently, because FMR Holdings' appointee to the Management Committee has 60% of the vote, as indicated above, First Media Corporation, which is the ultimate corporate parent of FMR Holdings and FMR, is in control of the licensee with respect to day-to-day operations.

<sup>1</sup> Richard E. Marriott votes the interest of First Media Radio Holdings, LLC.

<sup>2</sup> The figure represents the percentage of equity that the party holds in the entity. The assignee interprets Question 5 as seeking information about any parties, whose interests are otherwise non-attributable, who acquire attributable status as a result of operation of the “equity debt plus” rule (47 C.F.R. § 73.3555, Note 2(j)). A “debt plus equity” calculation is inapplicable to this reporting entity because no interest holder either (1) holds an attributable interest in a media outlet in the same market (which has not already been reported and is not otherwise non-compliant with the attribution standards, including EDP) or (2) supplies over 15% of the total weekly broadcast programming hours of the station in which the interest is held.
