Re: K07UF, Abilene, Texas
Facility ID No. 298

Dear Licensee:

This is with respect to Station K07UF, Abilene, Texas ("Station"). In an Order to Show Cause released June 12, 2013, the Video Division ordered Abilene Christian University to show cause why its authorization for K07UF should not be modified to specify that station as a low power television station.

In a response to the Order dated June 27, 2013 and received by the Division on July 5, 2013, the Licensee voluntarily agreed to revert Station K07UF to low power television status. By this letter, we confirm that the Station has been reverted to low power television status. Please be informed that no further action is required of K07UF and the pending enforcement actions are hereby rescinded.

Sincerely,

Hossein Hashemzadeh, Deputy Chief
Video Division, Media Bureau
