Re: W290CR, Madisonville, KY  
Facility ID No. 149091

Dear Mr. Kelley:

Pursuant to Section 73.3517(a) of the Commission's rules, Murray State University ("MSU"), permittee of FM translator station W290CR, Madisonville, Kentucky, hereby grants permission to Sound Broadcasters, Inc. ("SBI"), the proposed assignee of the construction permit, to file an FCC Form 349 application to modify the facilities of the translator contingent upon the approval and consummation of the assignment of W290CR from MSU to SBI. The application will be filed at SBI's expense prior to closing on the FM Translator Assignment Agreement by and between MSU and SBI. Closing is not contingent on a grant of the modification application. If the consummation of the assignment of W290CR to SBI does not occur, SBI will request that the FCC dismiss the FCC Form 349 application as moot and return the permit to its current specifications.

Sincerely,

MURRAY STATE UNIVERSITY

Dr. Robert O. Davies, President
