

**AMENDMENT**

The Application is amended to supplement Exhibit 10 to include (i) a copy of the executed assignment agreement ("Assignment Agreement") between Steven Koppelman ("Koppelman") and Eugene Brown ("Brown") with respect to their interests in Assignee; (ii) a draft of the joint sales and shared services agreement ("JSA") between Assignee and New Age Media of Tallahassee, LLC ("New Age") with respect to WTLF (the "Station"); and (iii) a draft of the purchase option agreement ("Purchase Option Agreement") referenced in the JSA.

Pursuant to the Assignment Agreement, dated as of August 24, 2006, Koppelman, the initial member of Assignee, assigns all right, title, and interest as a member of Assignee to Brown.

Upon consummation of the transaction, Assignee plans to enter into the JSA with New Age, an affiliate of which is the proposed assignee of WGFL(TV), High Springs, FL. *See* FCC File No. BALCT- 20060825ADW. Pursuant to the JSA, which will become effective upon consummation of the transaction, (1) New Age will sell advertising and provide related sales and other services for the Station; and (2) New Age will have the right to provide programming to Assignee, subject at all times to the ultimate discretion of Assignee and in no case comprising more than 15% of the Station's broadcast hours for any week.

Pursuant to the Purchase Option Agreement, by and among Assignee, Brown, and New Age, New Age has the option to purchase Brown's ownership interest in Assignee.

The parties have not submitted with this Amendment the forms of certain schedules to the JSA and Purchase Option Agreement as they contain information that is either highly confidential or not germane to the Commission's evaluation of the Application.
