

RADIO MARKET ANALYSIS
RADIO LICENSE HOLDING CBC, LLC
WIBR (AM) - 1300 kHz - 0.011/0.3 kW - ND
BATON ROUGE, LOUISIANA
December 2016

TECHNICAL STATEMENT

1. This technical statement and attached exhibits were prepared on behalf of Radio License Holding CBC, LLC ("Radio License Holding"), licensee of AM station WIBR, 1300 kHz, Baton Rouge, Louisiana. WIBR is home to the Baton Rouge, Louisiana Arbitron Market. Radio License Holding is requesting a minor change to the WIBR facility, thereby triggering this Radio Market Analysis under §73.3555 of the Commission's Rules. Radio License Holding or Cumulus Licensing LLC, collectively referred to as Cumulus Media Holdings Inc. ("Cumulus"), also holds an attributable interest in the following AM and FM stations in Louisiana: WXOK, 1460 kHz, Port Allen; KNEK, 1190 kHz, Washington; KAOK, 1400 kHz, Lake Charles; KRMD, 1340 kHz, Shreveport; KXZZ, 1580 kHz, Lake Charles; KKND, Channel 275C3, Belle Chasse; KMZ, Channel 294C1, Port Sulphur; KNEK-FM, Channel 284C3, Washington; KQXL-FM, Channel 293C2, New Roads; KRRQ, Channel 238C2, Lafayette; KSMB, Channel 233C, Lafayette; KXKC, Channel 256C0, New Iberia; WEMX, Channel 231C1, Kentwood; WRKN, Channel 221C, Laplace; WRQQ, Channel 277C, Hammond; KBIU, Channel 277C2 and KYKZ, Channel 241C1, Lake Charles; KKGB, Channel 267C3, Sulphur; KMJJ-FM, Channel 259C2, Shreveport; KQLK, Channel 250C2, Deridder; KRMD-FM, Channel 26C0, Oil City; KVMA-FM, Channel 275C2, Shreveport. The city grade contours of these stations are shown on Exhibit #1.¹ The changes to WIBR impact the contours of WXOK, WMEX, KQXL-FM, WRQQ, WRKN, and KXKC, as shown in Exhibit #2.

1) The city grade contour for AM stations is 5.0 mV/m. The city grade contour for FM stations is 70 dBu (50/50).

WIBR, WXOK, and KQXL-FM are licensed to a community within a parish (county) in the Baton Rouge, Louisiana BIA Radio Market. WXOK, WMEX, WRQQ, and KQXL-FM are all 'home' to the Baton Rouge, Louisiana Radio Market. However, WRKN and KXKC are not licensed nor are they 'home' to the Baton Rouge, Louisiana Radio Market. As such, a Radio Market Analysis utilizing the Arbitron Rated Market of Baton Rouge, Louisiana as well as a revised contour Radio Market is necessary.

BATON ROUGE, LOUISIANA ARBITRON/BIA MARKET REVIEW

2. As shown on Exhibit #3, there are twenty-six AM and FM (commercial and non-commercial) stations in the Baton Rouge, Louisiana Arbitron Market (Market #74). Cumulus would be in control of two AM stations and three FM stations in the market. The number of stations depicted falls in the fifteen through twenty-nine station tier of §73.3555(a)(1)(iii) of the Commission's rules. At this level, common ownership or control of up to six stations, with no more than four in the same service, is permissible. Therefore, Cumulus is in compliance in the rated Baton Rouge, Louisiana Market.

REVISED CONTOUR OVERLAP ANALYSIS

3. By reference to Exhibit #4, several revised contour overlap Radio Markets are created. Contour Market #1 consists of WIBR, WXOK, WRQQ, KQXL-FM, and KXKC. Contour Market #2 consists of signals from WIBR, WXOK, WRQQ, WEMX, WRKN, and KQXL-FM. Each Contour Radio Market's combined contours will be used to determine the number of other stations in the market to which the number of subject stations in each market will be added to reach the total number of stations in or providing service to the respective markets. No stations

with transmitters located more than 92.0 kilometers from the boundary of the common overlap of the subject stations will be considered. Further, no other facility controlled by Cumulus will be considered as a market contributor unless it is a subject station in the radio market under study.

CONTOUR MARKET #1 REVIEW

4. As shown on Exhibit #5, there are sixty-seven AM and FM (commercial and non-commercial) stations in Contour Market #1. Exhibit #6 is a tabulation of stations contributing to the Contour Market. Cumulus would be in control of two AM stations and three FM stations in the market. The number of stations depicted falls in the forty-five or more station tier of §73.3555(a)(1)(i) of the Commission's rules. At this level, common ownership or control of up to eight stations, with no more than five in the same service, is permissible. Therefore, Cumulus is in compliance in the Contour Radio Market #1.

CONTOUR MARKET #2 REVIEW

5. As shown on Exhibit #7, there are sixty-one AM and FM (commercial and non-commercial) stations in Contour Market #3. Exhibit #8 is a tabulation of stations contributing to the Contour Market. Cumulus would be in control of two AM stations and four FM stations in the market. The number of stations depicted falls in the forty-five or more station tier of §73.3555(a)(1)(i) of the Commission's rules. At this level, common ownership or control of up to eight stations, with no more than five in the same service, is permissible. Therefore, Cumulus is in compliance in the Contour Radio Market #2.

6. The foregoing technical statement was prepared on behalf of Radio License Holding CBC, LLC by Graham Brock, Inc., its Technical Consultants. All information contained herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities was extracted from the CDBS database. Data regarding the relevant Arbitron market was determined using the BIA MEDIA Access Pro Version 4.6. We assume no liability for errors or omissions in those databases which may be adverse to the information contained herein.
