

**MULTIPLE OWNERSHIP COMPLIANCE**

Nexstar Broadcasting, Inc. ("Nexstar"), the proposed assignee of television station KWBF(TV), Little Rock, Arkansas, also is the licensee of television station KARK-TV, Little Rock, Arkansas. Therefore, KWBF will be the second television station licensed to and operated by Nexstar in the Little Rock-Pine Bluff Designated Market Area ("DMA"). The Commission's local television multiple ownership rule permits the common ownership or control of two commercial stations in the same DMA with overlapping Grade B contours provided that: (1) at the time the assignment application is filed, at least one of the stations is not among the top four stations in the DMA based on the most recent report of all-day (9 a.m. to midnight) audience share; and (2) at least eight independently owned and operating full-power commercial and non-commercial educational television stations would remain in the DMA following the acquisition.<sup>1</sup>

According to the May 2008 Nielsen ratings report for the Little Rock-Pine Bluff DMA, KWBF was ranked 6<sup>th</sup> in that market among households Sunday through Saturday, 9 a.m. to midnight.<sup>2</sup> Therefore, Nexstar can own KARK-TV and KWBF if at least eight independently owned and operating stations will remain in the Little Rock-Pine Bluff DMA following the acquisition.

<sup>2</sup> Copies of this ratings report will be filed as an amendment to this application.

As the chart below outlines, there will be exactly eight independent owned and operating stations serving the Little Rock-Pine Bluff DMA following Nexstar's acquisition of KWBF.
