The parties acknowledge that the Stations and of a special, unique and extraordinary character, and that damages alone are an inadequate remedy for a breach of this Agreement. In the event of a breach or threatened breach by Seller of any representation, warranty, covenant or agreement under this Agreement, at Buyer's election, in addition to any other remedy available to it, Buyer shall be entitled to an injunction restraining any such breach or threatened breach and, subject to obtaining any requisite approval of the FCC, to enforcement of this Agreement by a decree of specific performance requiring Seller to fulfill its obligations under this Agreement. Such right of specific performance or injunctive relief shall be in addition to, and not in lieu of, Buyer's right to recover damages and to pursue any other remedies available for breach. In any action by Buyer to specifically enforce the breaching party's obligation to close the transactions contemplated by this Agreement, Seller shall waive the defense that there is an adequate remedy at law or in equity.

Section 10.3 Expenses. Each party hereto shall bear all of its expenses incurred in connection with the Transactions contemplated hereby including, without limitation, accounting and legal fees incurred in connection herewith; provided, however, that: (a) Seller and Buyer shall each pay one-half of: (i) the FCC filing fees required to be paid in connection with the Application, and (ii) the cost of the Lien Search Reports; (b) Seller shall pay, and Buyer shall not have any liability or responsibility for, any sales or other transfer taxes arising from the transfer of the Stations Assets to Buyer and any cost to obtain the Title Commitments and Estoppel Certificates.

Section 10.4 Bulk Sales Laws. Seller agrees to indemnify and hold Buyer harmless from all claims made by creditors with respect to non-compliance with any bulk sales law.

Section 10.5 Remedies Cumulative. Prior to Closing, the remedies provided in this Agreement shall be cumulative and shall not preclude the assertion by any party hereto of any other rights or the seeking of any other remedies against the other party hereto.

Section 10.6 Further Assurances. From time to time prior to, on and after the Closing Date, each party hereto will execute all such instruments and take all such actions as any other party shall reasonably request, without payment of further consideration, in connection with carrying out and effectuating the intent and purpose hereof and the Transactions contemplated hereby including, without limitation, the execution and delivery of any and all confirmatory and other instruments in addition to those to be delivered on the Closing Date, and any and all actions which may reasonably be necessary to complete the Transactions contemplated hereby. The parties shall cooperate fully with each other and with their respective counsel and accountants in connection with any steps required to be taken as part of their respective obligations under this Agreement.

Section 10.7 Public Announcements.

(a) Prior to the Closing Date, no party shall, without the approval of the other party hereto, make any press release or other public announcement concerning the Transactions contemplated hereby, except (i) to announce it has been entered into, and (ii) as and to the extent that such party shall be so obligated by law, in which case such party shall give advance notice to the other party and the parties shall use their best efforts to cause a mutually agreeable release or announcement to be issued.

(b) Notwithstanding the foregoing, the parties acknowledge that the rules and regulations of the FCC require that public notice of the Transactions contemplated hereby be made after the Application has been filed with the FCC and that Seller shall broadcast notice of the sale on the Stations in accordance therewith.

Section 10.8 Broadcast Transmission Interruption. Seller shall give prompt written notice to Buyer if any of the following (a "Service Interruption") occurs: (i) the regular broadcast transmissions of any of the Stations in the normal and usual manner is interrupted or discontinued; (ii) Stations KAOX or KDWH are operated at less than their licensed antenna height above average terrain or less than eighty percent (80%) of their licensed effective radiated power; or (iii) Station KMER is operated at less than eighty percent (80%) of its licensed power. If on the

Closing Date, any of the Stations is not operating with its licensed facilities at full power, or, if between the date hereof and the Closing, any of the Stations has experienced Service Interruptions aggregating seventy-two (72) hours in any thirty (30) day period (whether or not consecutive) or has experienced three (3) or more Service Interruptions each lasting four (4) hours or more, Buyer may, at its option: (i) terminate this Agreement, or (ii) postpone the Closing until the problem resulting in the Service Interruption is cured to Buyer's satisfaction. In the event of termination of this Agreement by Buyer pursuant to this Section, the Escrow Deposit shall be returned to Buyer and the parties shall be released and discharged from any further obligation hereunder. Notwithstanding anything herein to the contrary, a disruption in service due to a disruption in power provided by a public utility will not be deemed a Service Interruption.

Section 10.9 Risk of Loss. The risk of loss, damage or destruction to any of the Stations Assets shall be borne by Seller at all times up to the Closing Date. In the event of any such loss, damage, or destruction, the proceeds of any claim for any loss, payable under any insurance policy with respect thereto, shall be used to repair, replace, or restore any such property to its former condition, subject to the conditions stated below. In the event of any loss or damage to any of the Stations Assets, Seller shall notify Buyer thereof in writing immediately. Such notice shall specify with particularity the loss or damage incurred, the cause thereof (if known or reasonably ascertainable), and the insurance coverage. In the event that the subject property is not completely repaired, replaced or restored on or before Closing, then Seller's responsibility for such loss shall survive Closing.

Section 10.11 Applications for FCC Consent. Within five (5) business days after the date of this Agreement, Seller and Buyer shall join in and file separate applications with the FCC for consent to assign the licenses for KAOX and KDWY to Buyer (the "Lundquist Application") and for consent to assign the license for KMER to Buyer (the "Chaparral Application" collectively the "Assignment Applications"), and they shall diligently take all steps necessary or desirable and proper expeditiously to prosecute the Assignment Applications and to obtain the FCC's determination that grant of the Assignment Applications will serve the public interest, convenience and necessity. Each Seller shall promptly provide Buyer with a copy of any pleading, order or other document served on either Seller relating to either Application. Each Seller shall furnish all information required by the FCC and shall be represented at all meetings or hearings scheduled to consider either Application. The FCC's written consent to the Application is referred to herein as the "FCC Consent." In the event that Closing occurs hereunder prior to the receipt of a Final FCC Consent, then Seller's obligations under this Section 10.11 shall survive the Closing. For purposes of this Agreement, the term "Final" shall mean that action shall have been taken by the FCC (including action duly taken by the FCC's staff, pursuant to delegated authority) which shall not have been reversed, stayed, enjoined, set aside, annulled or suspended; with respect to which no timely request for stay, petition for rehearing, appeal or certiorari or sua sponte action of the FCC with comparable effect shall be pending; and as to which the time for filing any such request, petition, appeal, certiorari or for the taking of any such sua sponte action by the FCC shall have expired or otherwise terminated. Upon written request of Buyer, each Seller agrees to take all steps necessary, proper or desirable to obtain extension(s) of the Final FCC Consent.

Section 10.12 Section 1031 Exchange. To facilitate the transfer of the Stations Assets as part of a like-kind exchange under Section 1031 of the Internal Revenue Code, Buyer may assign

its rights under this Agreement (in whole or in part) to a “qualified intermediary” under section 1.1031(k)-1(g)(4) of the treasury regulations (but such assignment shall not relieve it of its obligations under this Agreement). If Buyer gives notice of such assignment, Seller shall provide Buyer with a written acknowledgment of such notice prior to Closing and convey the Stations Assets (or such portion thereof as is designated in writing by the qualified intermediary) to or on behalf of the qualified intermediary at Closing and otherwise cooperate therewith, but shall have no obligation to incur any expense in connection therewith other than incidental legal fees.

ARTICLE XI

11. ENFORCEMENT OF REMEDIES; DISPUTES. Except for (i) the right of Buyer to seek specific performance in accordance with Section 10.2 hereof and (ii) the right of either party to enforce the provisions of or any determination made pursuant to this section, the parties agree to resolve any disputes arising out of or in connection with this Agreement as provided in this section.

11.1. Appointment of Dispute Panel. If any dispute is not resolved in the time permitted by this Agreement or, if no time is specified, within five (5) days of the date either party gives the other notice that it intends to invoke the provisions of this section, each party will name one arbitrator who shall be a person with one of the following qualifications (a) substantial experience in radio ownership or management, (b) an accountant with experience in radio broadcasting, or (c) a radio broadcasting consultant, and, within five (5) days of their

appointment, the two arbitrators so selected shall select a third arbitrator with similar qualifications (the "Dispute Panel"). To the extent the party appointed arbitrators do not agree as to the appointment of a third arbitrator the decision as to the appointment of a third arbitrator shall be made by the American Arbitration Association in Chicago, Illinois in accordance with its rules. In the event one party names an arbitrator within the time period specified herein and the other party fails to do so, the Dispute Panel shall be comprised of the sole arbitrator who was timely named who shall have the full power and authority to resolve the dispute pursuant to the provisions of this Article 15.

11.2. Decision Process. Each party may submit such materials as it may elect to the Dispute Panel provided that a copy of such material is delivered by hand or overnight courier to the other party. Neither party will contact any member of the Dispute Panel to discuss the dispute unless the other party is present in person or by conference telephone call or the other party consents. The Dispute Panel will request and review such information as its members deem necessary to resolve the dispute. The Dispute Panel and each party will treat all information received by it as confidential and will destroy such information when the dispute is resolved. The Dispute Panel will resolve the matters presented to it so as to give each Party the benefit of its bargain by applying the provisions of this Agreement and, to the extent the Agreement is not dispositive, the customs and practices which, in the view of Dispute Panel, are common to transactions of this nature. The Dispute Panel will render its decision as soon as possible, but in any event, within thirty (30) days of the appointment of the third expert. The decision will be in writing and signed by each member of the dispute panel. The decision may include an award of damages as permitted by this agreement. Any third party may rely upon an original copy of the written decision or a copy of the decision certified by any member of the Dispute Panel as evidence of the decision.

11.3. Binding Effect. The decision of a majority of the members of the Dispute Panel will be binding and final with respect to both parties and may be enforced by seeking preliminary and permanent injunctive relief or entry of a judgment by a court of competent jurisdiction.

11.4. Costs and Fees. Each party will bear the costs and fees of the expert appointed by it plus half of the costs and expenses of the third expert. If the Dispute Panel determines by majority decision that the position of a party lacks substantial merit or was taken primarily to delay or otherwise impair the business efforts of the other party, then that party will pay the costs and fees of all the members of the panel plus the other party's reasonable attorney's fees.

11.5. Enforcement of Remedies; Disputes. Except for the right of Buyer to seek specific performance of the Seller's obligation to consummate this Agreement or the right of either party to enforce the provisions of or any determination made pursuant to this section, the parties agree to resolve any disputes arising out of or in connection with this Agreement as provided in this Section 11.5.

ARTICLE XII

GENERAL PROVISIONS

Section 12.1 Successors and Assigns. Except as otherwise expressly provided herein, this Agreement shall be binding upon and inure to the benefit of the parties hereto, and their respective representatives, successors and assigns. Section 12.2 Amendments; Waivers. The terms, covenants, representations, warranties and conditions of this Agreement may be changed, amended, modified, waived, or terminated only by a written instrument executed by the party waiving compliance.
