

METRO DETROIT BROADCASTING CORPORATION
APPLICATION FOR CLASS A TELEVISION CONSTRUCTION PERMIT
CHANNEL 33, DETROIT, MI

Exhibit 10 – Digital TV Broadcast Station and Allotment Protection

No interference is predicted to licensed DTV facilities or construction permits at this time. The proposed facility is within the protected area of the Channel 33 DTV allotment to Ann Arbor, Michigan. When activated, interference is predicted to WBSX-DT in the Detroit area. The applicant will address this issue when WBSX-TV begins on-air operation.
