

Map of the Klamath River watershed showing sampling locations. The map includes a grid with latitude (38-45 to 40-00) and longitude (-108-00 to -106-15) coordinates. Sampling locations are marked with blue crosses and labeled: K216BP, K218BP, K216ES, KLXV, K215BD Mod, K215AC, K216BF, K215BC, K215EM, KLRY, K217BK Mod, K215BC, and KTOL. A green line outlines the watershed boundary, and an orange line highlights a specific area near K217BK Mod.
