"Final Action", as used in this section, means an action of the FCC approving the assignment of the Station's license from Seller to Buyer, which action, due to the passage of time or otherwise, is no longer subject to FCC reconsideration and/or court review under the provisions of the Communications Act of 1934, as amended, and/or the Rules and Regulations of the FCC. This Agreement shall terminate if the Closing has not occurred within twelve months of the date of this Agreement, unless either party shall have breached this Agreement, in which case the non-breaching party shall have the rights set forth in Section 17(b) hereof.

(b) The place of Closing hereunder shall be at the Station or such other place as Seller and Buyer may mutually agree to in writing.

4. **Covenants, Representation, and Warranties of Seller:** Seller covenants, represents, and warrants with and to Buyer as follows:

(a) Seller is a corporation formed, validly existing and in good standing under the laws of the State of Kentucky. (b) Seller is and on the Closing Date will be the holder of the license for the Station, which is in full force and effect.

(d) Between the date hereof and the Closing Date, the Station shall be operated in the normal and usual manner, and the Station's business shall be conducted in the ordinary course.

(e) The license for the Station, call letters for the Station and other assets to be transferred or assigned to the Buyer are now and will, on the Closing Date, be in full force and effect. Each such assigned contract associated with the Station is in full force and effect and may be transferred in accordance with its terms, or approval for transfer will have been received by the Closing Date.

(f) On the Closing Date, Seller will have good and marketable title to the personal property listed and described in Exhibit 1(b) hereto, or replacements thereof, made in the normal course of business, free and clear of all liens, mortgages, pledges, and encumbrances.

(g) On the Closing Date, Seller will have valid title, leases, licenses, or easements for Seller's transmitter site of the Station, subject only to the exceptions disclosed in Exhibit 1(c) and subject to all necessary third party consents for the assignment of any leases, licenses, or easements to Buyer, in a form satisfactory to Buyer, which Seller shall use its reasonable efforts to obtain.

(h) The transmitting and studio equipment used by Seller in the operation of the Station will, at the Closing Date, be in good operating condition consistent with good engineering practices and will be in compliance with the FCC's Rules and Regulations, and, between the date of this Agreement and the Closing Date, there will be no more than normal wear and tear with respect to the assets listed in Exhibit 1(b) hereto.

opportunity, Seller will be responsible to remove or correct all such violations, including paying all financial obligations relating thereto, prior to the Closing Date. As of this date, Seller is not aware of any such violations or pending investigations concerning such violations.

(k) Seller, by the Closing Date, will have paid and discharged all taxes, assessments, excises, and other debts which, if due and not paid as of the Closing Date, would interfere with Buyer's enjoyment of the assets, facilities, licenses or other items conveyed hereunder.

(l) Seller is, and at all times has been, in full compliance with, and has not been and is not in violation of or liable under, any environmental law. Seller has no basis to expect, nor has Seller received, any actual or threatened order, notice, or other communication from any governmental body or private citizen, any actual or potential violation or failure to comply with any hazardous materials laws, or any actual or threatened obligation to undertake or bear the cost of any environmental, health, and safety liabilities with respect to any of the Assets. Until the Closing Date, the Seller shall have timely filed any and all applications, reports, fees and other items required by the FCC to be filed by the licensee of the Station.

(p) As of the Closing Date there is no claim threatened or pending relating to the Assets or any of them or concerning Seller's right or ability to enter into or perform Seller's obligations to be performed under this Agreement other than that which has heretofore been specifically and fully disclosed in writing to Buyer and accepted by Buyer; and there are, or will have been, no bankruptcy, receivership, or other proceedings affecting the assets and involving the Seller; and the Seller shall not have made any assignment for the benefit of creditors.

5. **Covenants, Representations, and Warranties of Buyer:** Buyer covenants, represents, and warrants with and to Seller as follows:

Buyer knows of no fact or circumstance with would, under the Communications Act of 1934, as amended, or the rules, regulations, and policies of the FCC, disqualify or preclude Buyer from being approved as an assignee of the license for the Station. Should Buyer become aware of any such fact or circumstance, it will promptly so inform Seller and Buyer will use its best efforts to remove any such disqualification. Buyer will not take any action it knows or has reason to believe, would result in such disqualification. To Buyer's knowledge, there are no proceedings, complaints, notices of forfeiture, claims, investigations pending or threatened against Buyer or any principal, officer, director of Buyer that would materially impair the qualification of Buyer to assume the license for the Station or which would materially impede Buyer's ability to prosecute the FCC assignment application.

(b) Buyer is a limited partnership duly formed, validly existing and in good standing under the laws of the State of Texas and has all necessary power and authority to execute and deliver this Agreement, to comply with the provisions hereof and to consummate the transactions contemplated herein.

(c) Buyer's execution and delivery of this Agreement, its compliance with the provisions hereof, and the consummation of all of the transactions contemplated hereby have been duly and validly authorized by all necessary action on the part of the Buyer, and this Agreement is valid and binding upon the Buyer in accordance with its terms.

(d) Neither the execution nor delivery of this Agreement by Buyer, nor compliance by Buyer with any of the provisions hereof, nor the consummation of the transactions contemplated hereby will: (1) conflict with or result in a breach of any provision of Buyer's limited partnership agreement or other governing document; (2) result in a default or give rise to any right of termination, cancellation or acceleration, under any term, condition or provision of any contract, encumbrance or other instrument or obligation to which Buyer is a party or by which it or any of its properties or assets may be bound or (3) violate any order, injunction, decree, statute, rule or regulation applicable to Buyer or any of its properties or assets; and (4) except for approval of the FCC, no consent, waiver, or approval by, notice to or filing with any person or entity is required in connection with the execution and delivery of this Agreement by Buyer, compliance by Buyer with any of the provisions hereof or the consummation of the transactions contemplated hereby.

(e) There is no legal, equitable, administrative or arbitration action, suit, proceeding or known investigation pending or, to Buyer's knowledge, threatened against or affecting Buyer or any of its assets which, if adversely determined, would adversely affect the ability of Buyer to consummate the transactions contemplated hereby.

(f) Buyer is authorized to do business in the State of Texas.

(g) Buyer is, and at Closing will be, financially qualified to meet its obligations set forth in this Agreement.

(h) Buyer shall keep confidential and cause to be kept confidential, any studies, reports, financial statements, documents, or other information conveyed to or shown to Buyer, or Buyer's agents, employees, or representatives, in the course of Buyer's due diligence review of the Station and Seller. Buyer agrees, upon the Closing Date, or in the event the parties fail to close this Agreement and the Agreement is terminated, to return or cause to be returned to Seller all copies of such studies, reports, financial statements, documents, or other information. The provisions of this Section 5(h) shall survive the termination of this Agreement.

6. **Interim Operations and Due Diligence Review:**

(a) From this date until the Closing Date, Seller shall have control of the Station, its equipment and related operations. Seller agrees that during this period it shall (1) continue the operation of the Station in good faith, (2) not enter into any contracts or agreements concerning the Station outside normal and customary practices, (3) operate the Station in accordance with the terms of its license, and (4) comply with the terms and conditions of those contracts, leases, easements, licenses, comprising in whole or in part or concerning or respecting the Assets.

(b) Between the date hereof and the Closing Date, Seller shall not, without Buyer's previous written consent, sell or agree to sell or otherwise dispose or permit the disposition of any of the assets herein to be assigned, other than in the ordinary course of business, unless such Assets are replaced with assets having a comparable use and value.

(c) Commencing on the date hereof until the Closing, Seller shall make available to Buyer and its representatives (including its engineers and attorneys) all documents, instruments, books, and records relating to the ownership and physical condition of the Assets, permit physical inspection of the Assets of Seller by all such parties, and cooperate with Buyer to complete its physical and legal review of the Assets. Seller will have a period of twenty (20) days after the date of this Agreement (the "Due Diligence Period") in which to terminate the Agreement based on the results of its due diligence investigation. To the extent that, prior to the end of the Due Diligence Period, Buyer determines that it plans to terminate this Agreement pursuant to this Section, Buyer shall provide Seller with a list of the deficiencies that caused the decision to terminate this Agreement and Seller shall have twenty (20) days within which time to cure such deficiencies, to Buyer's satisfaction. Seller shall determine in its sole discretion whether or not to attempt to cure the alleged deficiencies. Buyer shall determine, in its sole discretion, whether such efforts to cure the deficiencies are acceptable. In the event that Seller

declines to cure, or Buyer determines that Seller's cure is inadequate, Buyer shall be entitled to receive the Earnest Money Deposit held by Media Services Group as liquidated damages, in full compensation for any loss sustained by Buyer hereunder.

(d) From this date until the earlier of (i) the Closing, or (ii) the termination of this Agreement, neither Seller, nor any of its directors, officers, agents, shareholders, or other representatives, will initiate, discuss, encourage or entertain, or provide any information with respect to any sale to another person or entity of all or a significant portion of the Assets, whether through direct purchase, merger, consolidation, or other business combination or joint venture, nor shall such parties enter into or consummate any agreement to effectuate any such transactions. In addition, any discussion with any prospective purchaser of the Assets or any of them that were in process prior to the execution of this letter shall be suspended until the Closing or termination of this Agreement.

(e) This Agreement shall not be consummated until the FCC has given its written consent to the assignment of the license for the Station to the Buyer. Until the Closing, Buyer shall not, directly or indirectly, control, supervise, direct or attempt to control, supervise or direct the operation of the Station.

approval shall have been revoked, rescinded, terminated, or modified in any particular whatsoever.

(e) Governmental Authorizations. All required governmental authorizations, consents, and approvals necessary for the consummation of the transaction contemplated hereby shall have been obtained, including the FCC consenting to the action by assignment of license contemplated herein in accordance with the terms and conditions of this Agreement, without any condition materially varying this Agreement.

(f) Absence of Litigation. On the Closing Date, there will be no litigation, action, suit, investigation, or proceedings which may give rise to any materially adverse claim against any of the Assets or upon Seller's ability to perform in accordance with the terms of this Agreement.

8. **Conditions Precedent to Obligations of Seller:** The performance of the obligations of Seller hereunder is subject, at the election of Seller, to each of the following conditions precedent:

(a) Representations and Warranties. Each of Buyer's representations and warranties contained in this Agreement shall be true in all material respects at and as of the Closing Date.

(b) Due Authorization. Buyer's execution and delivery of this Agreement, its compliance with the provisions hereof and the consummation of all of the transactions contemplated hereby shall have been duly and validly authorized by all necessary company action on the part of the Buyer, and Seller shall have received a duly certified copy of all actions taken effecting same.

(a) Notwithstanding any provision of this Agreement to the contrary, Buyer will not be obligated to go to Closing if the FCC fails to give its written consent to the assignment of the license for the Station to Buyer.

(b) Within fifteen (15) days from the date hereof, Seller and Buyer shall join in an application to be filed with the FCC, requesting its written consent to the assignment of the license of the Station. Seller and Buyer shall promptly and diligently take or cooperate in the taking of all steps that are necessary and appropriate to expedite the prosecution and favorable

consideration of such application, including responding to inquiries or requests for additional information from the FCC, or any objections or petitions filed in opposition to the FCC application

(c) Seller and Buyer agree to make any reasonable amendments to this Agreement as requested by the FCC, on the condition that the purchase price for the Assets is unaffected.

10. **Adjustments and Allocations:** Seller and Buyer agree that the following items shall be allocated as between Seller and Buyer as follows:

(a) Liabilities for property and other taxes, if any, in respect to any of the Assets shall be prorated as between Seller and Buyer on the basis of the number of days of the taxable year elapsed to the Closing Date.

(b) Other liabilities or prepaid items or other pro-ratable items existing on the Closing Date, such as lease payments, commissions, federal, state or local taxes, water, electric, fuel, telephone and other utility and service charges, FCC regulatory fees and insurance shall be prorated and allocated between Seller and Buyer as of the Closing Date. A final accounting concerning these matters shall be presented, in writing, by Seller to Buyer within sixty (60) days after the Closing Date. If Buyer agrees, the prorations and allocations shall be made within fifteen (15) days thereafter. If Buyer disputes the final accounting, Buyer shall advise Seller, in writing, within fifteen (15) days after Buyer receives said final accounting, and in that event, Buyer and Seller shall meet in an attempt to resolve any dispute. If such cannot be resolved within fifteen (15) days after Buyer advises Seller of the dispute, Buyer and Seller agree to submit all disputed matters to binding arbitration. Arbitration shall be conducted in accordance with the rules of the American Arbitration Association, including the provision that each of Seller and Buyer shall select an arbitrator and those two arbitrators shall select the third arbitrator. Any prorations in favor of Buyer shall be deducted from or offset against the final payments due under the Note.

(c) Seller and Buyer each will pay one-half (1/2) of the FCC filing fee for the FCC assignment application. Buyer and Seller shall be responsible for their own costs and expenses incurred in entering into this Agreement and fulfilling their obligations hereunder, including all attorney and engineering fees.

13. **Brokerage:** The parties hereby represent and warrant that there have been no finders, consultants or brokers involved in this transaction other than Media Services Group, and that neither Seller nor buyer has agreed to pay any brokers, or finders fee in connection with this transaction other than the fee of MSG in the amount of \$27,500.00, the payment of which shall be the sole responsibility of Seller in full at Closing. With respect to the Escrow Deposit, MSG is entitled to retain the brokerage fee at Closing and pay the balance to Seller.

14. **Risk of Loss:** The risk of loss or damage to any of the Assets shall be upon Seller at all times prior to the Closing. In the event of such loss or damage, the proceeds of, or any claim for, any loss payable under any insurance policy with respect thereto shall go to Seller, and be used to repair, replace, or restore such loss or damaged assets. Buyer or its successors and assigns, as the case may be, shall give Seller prompt notice of any claims, demands, suits, proceeding or action to which this indemnity applies. At the cost and expense of Seller, and with counsel chosen by Seller, Seller will defend any and all claims against such indemnified persons and will pay any judgments and decrees entered into against them or any of them relating to the operation of the Assets, prior to Closing, and will indemnify and hold each of them harmless therefrom. This indemnification shall remain in effect for one (1) year following the Closing Date.

16. **Indemnity of Seller against Certain Losses by Buyer.** Buyer and its assigns hereby agree to indemnify and hold harmless Seller, its successors and assigns, from and against any losses, damages and expenses which may be sustained, suffered or incurred by Seller or its successors and assignees, (i) arising out of operation of the Assets or the Station subsequent to the Closing, and (ii) any material breach of any representation or warranty by Buyer under this Agreement or the Note. Seller or its successors and assigns, as the case may be, shall give Buyer prompt notice of any claims, demands, suits, proceedings or actions which this indemnity applies. At the cost and expense of Buyer and with counsel chosen by Buyer, Buyer will defend any and all claims against such indemnified persons and will pay any judgments and decrees entered into against them or any of them relating to the operation of the Assets subsequent to the Closing and will indemnify and hold each of them harmless therefrom. This indemnification shall remain in effect to the date or dates when the appropriate Statute of Limitations for any such claims, demands, suits, proceedings or actions shall have expired.

17. **Remedies; Notice of Termination and Cure Period:**

(a) Remedies. Seller agrees that the Assets cannot be readily obtained on the open market and that Buyer will be irreparably injured if this Agreement is not specifically enforced, due to Seller's default, and if Buyer institutes any action specifically to enforce Seller's performance under this Agreement, Seller agrees to waive the defense that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy. In the event of a material default by Buyer prior to the Closing which is not timely cured, Seller will be entitled to terminate this Agreement in which case the Seller shall receive the Earnest Money Deposit held in escrow by Media Services Group hereunder as liquidated damages, in full compensation for any loss sustained by Seller by virtue of Buyer's breach or default.

(b) Notice of Termination; Cure Period. If after the expiration of the Due Diligence Period, as defined in Section 6(b) hereof, but before the Closing, either Seller or Buyer determines that the other has defaulted under any provision(s) of this Agreement, and proposes to terminate this Agreement, based upon such default(s), it shall notify the other, in writing, of its decision to terminate, and identify, specifically, the nature of the default(s) it relies upon. The defaulting party shall be given ten (10) days (or such longer period as Seller and Buyer mutually agree upon in writing), from the receipt of that notification, to cure the default(s), and, if cured, to the satisfaction of Buyer and Seller, termination shall not occur. If there is a dispute prior to Closing concerning (1) whether the default(s) occurred and/or (2) whether the default(s) has or have been cured, Seller and Buyer agree to submit such question(s) to binding arbitration in Texas, conducted in accordance with the rules of the American Arbitration Association. Any award or other decision shall be final and binding on the parties. The scheduled Closing under this Agreement will be postponed, if necessary, to permit the defaulting party to cure the default(s) within the said time period and/or for the conclusion of the arbitration proceeding.

This Agreement shall automatically terminate if the Closing has not occurred within twelve months of the date of this Agreement, unless either party shall have breached this Agreement, in which case the non-breaching party shall have the right to decide whether or not to terminate this Agreement.

18. Benefit: This Agreement shall be binding upon and shall inure to the parties hereto, their successors and assigns.

19. Survival of Representations, Warranties and Indemnifications: The covenants, representations, warranties, agreements, obligations, and undertakings of Seller and Buyer contained in this Agreement shall, unless otherwise specifically provided, be continuing and shall survive for one (1) year following the Closing.

20. Post-Closing Obligations of Seller. At any time and from time to time after the Closing Date, upon the request of Buyer, and without the payment of any further consideration,

Seller shall duly execute, acknowledge and deliver any and all further assignments, conveyances and other instruments of transfer and other assurances and documents, and will take such other action as reasonably may be required by Buyer for the purpose of better assigning, transferring and conveying to Buyer all of the Assets pursuant to this Agreement.

21. **Construction.** This Agreement shall be construed and enforced in accordance with the laws of the State of Kentucky. Seller and Buyer agree that this Agreement shall be construed without regard to and without considering which party may have drafted its various provisions, both parties acknowledging that they have had an ample opportunity to review and revise its provisions.
