Tolling Request

Dear Mr. Lepore:

On May 6, 2020, we received your request on behalf of Actualidad 990AM Licensee, LLC (A9L) for tolling of the construction deadline for the construction permit for FM Translator Station W254DT, Kendall, Florida (Station), granted on October 31, 2018 for a three-year term expiring on October 31, 2021.

Your tolling request is based on the order issued on April 1, 2020, by the governor of Florida to address the novel coronavirus (COVID-19). Due to the difficulty in obtaining workers that are available and willing to work during the pandemic, you request tolling until the danger of the COVID-19 outbreak passes and you are able to continue construction. This request falls within one of the criteria for tolling in 47 CFR §73.3598(b)(1) and is granted.

Grant of the request is subject to the following conditions:

Tolling is effective as of April 6, 2020.¹ When tolling ends, 1 year, 6 months, 26 days will remain on the permit.

Tolling will remain in effect for 6 months, until December 5, 2020, absent earlier resolution of the COVID-19 closure. If construction cannot resume within 6 months due to the COVID-19 closure, A9L must file a status report by December 5, 2020, requesting continued tolling treatment.

A9L must notify us within 30 days of the COVID-19 delays being resolved. All status reports must be sent by emailed letter addressed to Marlene S. Dortch, Secretary, FCC, 445 12 St, S.W., Washington, D.C. 20554, and directed to Victoria McCauley at Victoria.McCauley@fcc.gov.

¹ Pursuant to §73.3598(c) of the rules, because the request was filed more than 30 days from grant of the original CP application, we look back 30 days from the date of filing to determine the effective date of tolling. Since the Florida Order on April 1, 2020 was more than 30 days prior to the date of the tolling request, April 6, 2020 is the effective date of tolling.

When tolling ends (either because A9L has not filed a request for continued tolling or because the matter has been resolved) we will calculate a new CP expiration date by adding the 1 year, 26 months, 6 days.

Sincerely,
