Re: **Redemption of Stock**

Dear Jerry,

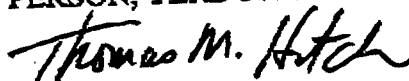

I am writing this letter at the request of John Salov who indicates to me that you have commenced discussions regarding the redemption of your stock. John asked that I forward this letter to you setting out his proposal to redeem your stock:

1. The corporation, Coltrace Communication, Inc., shall redeem your stock and would pay \$308,000 in cash.
2. You would be relieved of all personal guarantees.
3. The offer would be contingent upon the refinancing of the outstanding loan and upon receipt of a commitment or term sheet within 45 days of the date hereon.

If this is acceptable to you, please sign where provided below, so that this may be filed as part of the new refinancing agreement. If you have any questions, please do not hesitate to contact me.

Very truly yours,

MCGINTY, HITCH, HOUSEFIELD,
PERSON, YEADON & ANDERSON, P.C.

Thomas M. Hitch

I, Jerome Rydell, agree to accept the proposal to sell all of my stock to the Corporation for the above-stated amount, and upon the above-stated conditions.
