REQUEST FOR WAIVER OF §73.1125

Petitioner American Family Association, Inc. (“Family”) submits the following in support of its request for a waiver of the main studio rule set forth in §73.1125 of the Commission’s rules:

1. Family is the licensee of WAFR-FM, TUPELO, MS, a non-commercial educational FM broadcast station.

2. Family has a Construction Permit, of a non-commercial educational FM broadcast station in MUSKEGON, MI, (WMCQ).

3. In order to obtain the economic benefits of centralized operations, as the Commission has recognized (Memorandum Opinion and Order in MM Docket 86-406, 3 FCC Rcd 5024 (1988)), Family intends to deliver its signal from WAFR to the proposed broadcast facility in MUSKEGON, MI. Muskegon, MI is approximately 994.813 km from Tupelo, MS.

4. Family is cognizant of its local service obligations, and has developed a plan to allow it to determine local needs and respond to them in its programming. This plan will include, at a minimum, the following components:

- {a} Family will add to its Community Advisory Board at least one resident of MUSKEGON, who will be asked to provide recommendations on community needs and programming directly to the management of Family;
- {b} Family will, at least annually, conduct interviews with residents and community leaders to assess community needs and programming;
- {c} Family will provide periodic local programming for MUSKEGON including coverage of significant local news or cultural events;
- {d} Family will provide for the broadcast of local public service announcements;
- {e} Family will maintain within the community of MUSKEGON a toll-free telephone number.

Because of the limited funding available to non-commercial educational broadcast stations, and the economic benefits of centralized operation, Family respectfully requests a waiver of the requirement of maintaining a main studio within the principal community contour, as provided in §73.1125 (a) (4) of the Commission's rules.
