

Purpose of Application and Use of Form 316

West Central Minnesota Education TV Corp., licensee of non-commercial educational television stations KWCM-TV and KSMN(TV) and low-power digital televisions station K49FA-D , is a non-profit educational organization governed by its Board of Directors, which is self-perpetuating.¹ The Board currently consists of ten members, each of whom has one vote. The purpose of this application is to request consent to the transfer of control to the current Board of Directors, as listed on Page 2 of this exhibit.

As is typical of non-profit, non-commercial educational licensees, the composition of the Board has gradually changed over the years. The table at pages 3-4 of this Exhibit demonstrates that the changes in the composition of the Board of Directors have occurred gradually since January 2011, when the Commission last granted a transfer of control application approving a previous Board of Directors, and the present. Accordingly, use of Form 316 is appropriate for this application.

No written agreements exist documenting the changes herein listed, as they occurred through the ordinary processes of attrition and appointment of new Board members. All Board members and officers are U.S. citizens.

¹ As described in *Transfers of Control of Certain Non-Stock Entities*, 4 FCC Rcd 3403 (1989) at para. 22.
