determined that both Permits may be modified pursuant to the FCC's December 23, 2015 *Public Notice, "Media Bureau Announces Filing Dates and Procedures For AM Station Filing Window for FM Translator Modifications and Availability of FM Translator Technical Tools"*, DA 15-1491 ("Public Notice DA 15-1491"), to relocate both Stations to the Quincy and Kankakee areas, respectively, in order to rebroadcast WKAN and WTAD; and

WHEREAS, subject to prior approval of the FCC, which is an express condition precedent to all transactions contemplated by this Agreement, Buyer desires to acquire the construction permits for the Stations from CN and to then construct and operate the Stations to serve the public interest, convenience and necessity; and

NOW, THEREFORE, in consideration of the premises and agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, agree as follows:

Agreement

1. **SALE ASSET; PURCHASE PRICE.**

a. CN agrees to assign, convey and sell to Buyer all of its right, title and interest in and to the Permits for both Stations.

b. The purchase price to be paid by Buyer to CN for the two Permits being assigned, conveyed and sold hereunder shall be **FIFTY THOUSAND DOLLARS (\$50,000.00)**, or **TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00)** per Station, payable as follows:

i. A down payment of **TWELVE THOUSAND FIVE HUNDRED (\$12,500.00)** in lawful money of the United States of America, representing **TWENTY-FIVE PERCENT (25%)** of the total purchase price, delivered by wire transfer to the Dennis Kelly IOLTA Trust Account in PNC Bank, National Association, Washington, DC, at the signing of this agreement pursuant to a separate Escrow Agreement to be executed as of the date hereof; the Escrow Deposit will be delivered by Escrow Agent to Seller at Closing; and

ii. The remainder of the purchase price, **THIRTY-SEVEN THOUSAND FIVE HUNDRED DOLLARS (\$37,500.00)** in lawful money of the United States of America shall be delivered by cashier's check or wire transfer at Closing. Closing shall take place no later than the fifth (5th) business day subsequent to FCC consent to the transactions contemplated herein becoming a "Final Order" (as defined below). Buyer may choose to waive a Final Order and close upon the FCC staff's action granting the FCC Form 345 application described below.

iii. In the event that the sale of both Stations contemplated by this Agreement does not close through no fault of the Buyer, Seller will refund to Buyer the \$12,500.00 payment

set forth in subparagraph (i) of this section. In the event the parties close on one but not both of the Stations, the \$12,500.00 escrow deposit will be remitted to Seller, and Buyer will pay an additional \$12,500.00 to Seller.

2. EXCLUSIVITY; FCC APPLICATION. The parties agree that from the date hereof until the expiration of the Agreement, neither party will seek to transfer or sell to, or entertain any offers to buy from, third parties, respectively, the construction permits for the Stations. CN will be responsible for publishing the public notices of the filing of the FCC Form 345 application required by Section 73.3580 of the FCC's Rules; Buyer will reimburse CN for the cost of said publication. CN and Buyer will work together to file and prosecute in good faith the required FCC Form 345 application for FCC consent to the transactions contemplated by this Agreement as soon hereafter as is practicable. If an application filing fee is required, it will be paid by Buyer. Additionally, pursuant to Section 73.3517(a) of the FCC's Rules CN hereby grants written permission to Buyer to File an FCC Form 349 application to make one or more minor changes in the authorized technical facilities of the Station. On the same day that the Form 345 application is filed, Seller shall add Buyer's "federal registration number" (FRN), 0003-0158-31, to the FCC's records for the Station through the so-called "FRN Manager" utility on the fcc.gov website. Buyer will therefore take responsibility for filing

an application on FCC Form 349 prepared at its sole expense to modify the Station's technical facilities. Buyer will also prepare and file as soon hereafter as is practicable at its expense a letter request with the FCC's Media Bureau asking for "tolling" of each Permit's current expiration date for at least six months pursuant to footnote 36 of the FCC's AM Revitalization Order, FCC 15-142, released October 23, 2015.

3. CN'S REPRESENTATIONS AND WARRANTIES. CN represents that it is the authorized legal holder of the Permit and that it validly exists and has not yet expired. There are no retransmission consent or other agreements entered into by CN which are inconsistent with this Agreement; in other words, subject to applicable FCC rules such as but not limited to 47 C.F.R. §74.1232, Buyer may use the Stations to rebroadcast WTAD and WKAN immediately upon constructing the Station in the vicinity of Quincy, Illinois and Kankakee, Illinois, subject to the applicable FCC regulations governing the rebroadcast of AM primary stations on FM translator stations.

4. BUYER'S FCC QUALIFICATIONS. Buyer represents, warrants, and covenants to CN that it meets all FCC basic qualifications to hold the FCC Authorization which is the subject of this Agreement. Buyer has determined that it is an appropriate assignee of the Permit and that it possesses all requisite legal qualifications for the FCC to grant the Form 345 application referenced herein and for the FCC to grant the Form

349 construction permit referenced herein. Buyer is financially qualified to acquire, construct and operate the Station that is subject to this Agreement.

5. CONDITIONS PRECEDENT TO BUYER'S OBLIGATION TO CLOSE.

Buyer's obligations to close hereunder are expressly conditioned upon the FCC or its staff acting pursuant to delegated authority grant the above-described FCC Form 345 application and that such action with respect to each Station shall have become final and no longer subject to administrative or judicial action, review, rehearing or appeal (a "Final Order").

6. RETRANSMISSION CONSENT. Pursuant to Public Notice DA 15-1491 Buyer hereby grants Seller express written "retransmission consent" pursuant to 47 U.S.C. §325(a) for K277CF to rebroadcast the signal of WTAD and for W283BX to rebroadcast the signal of WKAN.

7. TRANSFER FEES AND TAXES. Buyer shall be solely responsible for the FCC application filing fees as well as any and all bulk transfer fees, transfer taxes, sales taxes or other taxes, assessments or fees that may be applicable to the transactions contemplated by this agreement.

8. GOVERNING LAW AND VENUE. This agreement is governed by the laws of the State of Missouri, and the venue for any dispute arising hereunder shall be the courts of St. Louis City, Missouri.
