Re: Construction Permit Expirations

Dear Former Permittee:

This is with respect to the expired construction permits listed in the Appendix. Commission records indicate that you failed to file an application for license to cover by the construction permit expiration date.¹ Section 74.788(b) of the Commission's rules states that:

Any construction permit for which construction has not been completed and for which an application for license or extension of time has not been filed, shall be automatically forfeited upon expiration without any further affirmative cancellation by the Commission.²

As such, the construction permits were automatically forfeited.

Accordingly, pursuant to sections 74.788(b) of the Commission's rules, the construction permits for the facilities listed in the Appendix were **AUTOMATICALLY FORFEITED** and the facilities' call signs have been **DELETED**.³ All authority to construct the stations have been **TERMINATED**. All pending applications will also be **DISMISSED**.

Sincerely,

/s/
