Dear Applicant:

We are currently processing your above-referenced application, as amended August 7, 2007. Our preliminary engineering review reveals that your proposed facility as amended does not comply with the Commission's interference rules. Specifically, the amended proposal is predicted to cause interference to the following facilities:

1. K03HS BMPTVL-20070524AAU, Channel 03, Morongo Valley, CA

You are hereby given the opportunity to electronically file a minor amendment to resolve these specified interference problems within (30) days from the date of this letter. If not so amended electronically, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh  
Associate Chief  
Video Division  
Media Bureau
