Request for Cancellation of Permit**

Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 12<sup>th</sup> St. SW  
Washington, DC 20554

Dear Ms. Dortch:

On behalf of Magnum Communications, Inc., Licensee of Station WBKY and Permittee of the above-referenced construction permits for relocation of WBKY from Portage, WI to Stoughton, WI, this is to request cancellation of the above-referenced permits.

Magnum Communications, Inc. has encountered delays in connection with zoning approvals for its proposed tower in Rutland Township, WI, and as a result of the delays, it has been unable to construct the proposed facility prior the expiration date of the original permit. Accordingly, it is applying for a new construction permit to replace the original construction permit, in order to afford sufficient time to obtain the necessary local approvals, and to construct its proposed station at Stoughton, WI.

Should there be any question regarding this request, please contact undersigned Counsel for Magnum Communications, Inc.

Respectfully submitted,

Denise B. Moline

Attorney for Magnum Communications, Inc.
