

Supplement to Description of the Transaction and Multiple Ownership Showing

This exhibit is intended to supplement the Description of the Transaction and Multiple Ownership Showing submitted by the proposed assignee to demonstrate that Legacy's ownership of television Stations KTWO-TV and KFNB(TV) complies with the local television ownership rule. Section 73.3555(b) of the FCC's rules provides in pertinent part that an entity may own, operate or control two television stations licensed in the same DMA if at the time the application to acquire the stations is filed at least one of the stations is not ranked among the top four stations in the DMA, based on the most recent all-day (9a.m.-midnight) audience share, as measured by Nielsen Media Research. Attached to Exhibit 1 is a redacted copy of the Nielsen Monday-Sunday 9A-12M ratings for the Casper-Riverton, WY DMA for February 2018. The parties have filed an unredacted copy of this information with the Commission with a request for confidential treatment. These ratings, which cover the time period when the application was filed, demonstrate that Station KFNB(TV) is the fifth ranked station in the market and that the proposed acquisition therefore complies with Section 73.3555(b) of the rules.
