

Affidavit

Certification of Installation of Directional Antenna for:

KLAB – John Brown University

By signing below, I hereby certify that I personally supervised the installation of a 4-bay directional antenna model PSIFMP-4-DA Custom, manufactured by Propagation Systems Incorporated, Ebensburg, PA, and delivered to site on December 31, 2012.

The antenna was properly installed per PSI's instructions, and in compliance with all specifications of the construction permit BMPED-20120312ABL channel 215, frequency 90.9 at the proper location: N Lat 36 deg 11 min 16 sec and W Lon 94 deg 41 min 20 sec.

Qualifications of Engineer:

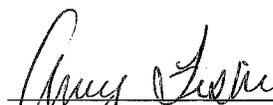

Eric Morris, Broadcast Engineer
472601 E 715 Rd., Westville, OK 74965 – 479-841-6394.

Eric Morris has served as a broadcast engineer for more than 20 years and holds a General Radiotelephone Operator License from the FCC and has been recognized as a Certified Senior Radio Engineer by the Society of Broadcast Engineers.

Eric Morris serves as the Chief Engineer for KLRC for more than 10 years and serves as the primary contract engineer for more than 10 other radio stations in Arkansas and Oklahoma.

I hereby certify that the above information is true and accurate to the best of my ability.
