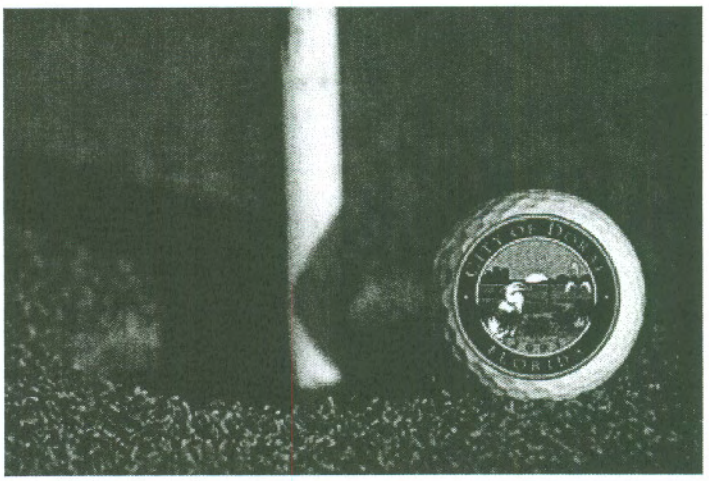
City of Doral, Florida - for all the right reasons!

Welcome

Parks & Recreation - Welcome



In 2007, the City of Doral Department of Parks and Recreation is excited to provide our residents new and improved parks for the New Year. Currently, the city has three neighborhood parks: 14-acre Doral Park, 14-acre Doral Meadow Park, and 81-acre Miami West Park. Doral Park, the City of Doral's first city-owned park, will open its doors to the community in early Spring 2007 with a 4,500 square foot multipurpose community center, artificial soccer fields, picnic pavilions, a shaded playground and much more. The results will certainly be amazing and worth the wait! Additionally, Doral Meadow Park will break ground for its Phase II construction plans with will include the addition of artificial football/soccer fields and a shaded picnic pavilion.

In an effort to improve transportation and increase recreational opportunities for its residents, the City of Doral commissioned Kimley-Horn and Associates, Inc., to perform the development of the Bikeway Master Plan. The purpose of the plan is to develop a network of proposed bikeways for the City and to serve as an implementation guide for the proposed greenway trails and bike lanes. The primary opportunity for the trail network is to develop linkages to recreational parks, such as Doral Park, Miami West Park, Doral Meadow Park and the new park being planned for the area of northwest of the intersection of NW 74th Street and 97th Avenue.

If you are interested in receiving an electronic update from the Parks & Recreation Department, please call us at 305-593-6600 or e-mail us at quincocesm@cityofdoral.com.
