

**Certification of Supervisory Engineer
For KWVA, Eugene, Oregon**

I, Jon K. Kenneke, oversaw the installation of the Shively Labs antenna model 6810-2-DA directional FM broadcast antenna system for KWVA, Eugene, OR File No. KWVA BPED-20070906AAN Facility ID number: 3025. I hereby certify that it was installed in accordance with the manufacturer's specifications, instructions, and FCC requirements.

I am a broadcast engineer of 15 years experience and hold FCC General Radiotelephone Operator License PG-1322498. I also am a Society of Broadcast Engineers Certified Broadcast Radio Engineer (CBRE). I currently supervise the technical operations of 6 broadcast facilities.

Respectfully submitted this 29th day of June, 2010.

A handwritten signature in black ink, appearing to read 'Jon Kenneke', written over a horizontal line.

Jon Kenneke
Chief Engineer
KWVA / University of Oregon
Eugene, OR
