

**FIRST REQUEST FOR EXTENSION OF
SPECIAL TEMPORARY AUTHORITY TO GO DARK**

Retail Social Activities Center, Inc. (“R-SAC”), licensee of radio station KBYO(AM), Tallulah, Louisiana (FIN 59997), hereby requests an extension of the Station’s special temporary authority (“STA”) to go dark for an additional period of 180 days, beginning on May 1, 2011 and continuing until October 28, 2011.¹ Specifically, R-SAC, which acquired the dark Station on September 8, 2011 (*see* BAL-20101214ABS), requests additional time to plan and implement its proposed relocation of the Station to a new location. Toward this end, discussions are underway with a consulting engineering firm to conduct required studies and to prepare appropriate documentation. R-SAC anticipates that a minor modification application for the Station will be filed with the Commission shortly. In the meantime, R-SAC seeks authority to remain dark so as to conserve the Station’s limited resources until such time as operations may commence from a new location.

¹ This request supersedes an identical request filed by the former licensee. *See* BLESTA-20110425ABW.
