Subject: BLH-20070531AOP - WJJZ, Burlington, NJ - Program Test Authority

This e-mail is in response to your license application BLH-20070531AOP, which requests issuance of automatic program test authority for WJJZ (FM), Burlington, NJ.

Exhibits in the license application indicate that the conditions on the construction permit have been satisfied, and the measured directional pattern complies with the Commission's requirements. Consequently, by this e-mail, program test authority IS GRANTED to permit WJJZ to operate at an effective radiated power of 26.0 kW ERP (circularly polarized) with the facilities authorized in construction permit BPH-20050907ABP.

This authorization is being sent by e-mail in lieu of a letter for the same purpose in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

If there are any questions, please contact me at 202-418-2706.
