

FCC Form 316
Application for Transfer of Control
Community Bible Church

This application is submitted to request approval of the transfer of control of Community Bible Church (“Community Bible”), licensee of radio stations WEGB and WEGQ. Community Bible, a non-commercial educational entity, is governed by its 7-member Board of Elders (the “Board”). The Board is self-appointing, with existing members nominating and electing new members. Members served annual terms until 2017, and now terms are 3 years. Each Board member is elected to a one-year term, and has an equal voting interest. Currently, with 7 Board members, each member has a 14.28% voting interest. The transfer of control for which approval is sought occurred as a result of gradual changes in the composition of the Board since the last time the Commission approved the make-up of the Board in 2012 (*See* BMPED - 20120702AAX, granted July 27, 2012). New members are normally elected and installed in February or March of each year, but occasionally if a Board member needs to leave, new members may be voted on at other times of the year. The members of the Board in each of 2016, 2017, 2018, 2019 and 2020 (current members) are identified below to demonstrate the gradual nature of the changes to the Board. The second chart below also identifies the current members of the Board by name and address, including any positional interests held.
