

CONSENT TO CONTINGENT MODIFICATION APPLICATION

Pursuant to Section 73.3517(a) of the FCC's rules, Radio 74 Internationale, the permittee of FM translator station W223CB, Sebring, Florida, Facility ID #142174, hereby consents to the filing of a contingent application by ACM JCE IV B, LLC to modify the facilities of W223CB.

ACM JCE IV B, LLC is the proposed assignee of the FCC authorization for W223CB in an assignment application which is being contemporaneously submitted to the FCC. If and when granted, the modification application would become effective only if and when the assignment transaction proposed in the assignment application is consummated, and ACM JCE IV B, LLC becomes the permittee of W223CB.
