Dear Mr. Bridges:

On March 24, 2003, ANDREGG, INC. dispatched a survey crew to verify the installation of a directional antenna.

The KTKE 1 bay Shively 6810 Directional Antenna atop Mt. Pluto, approximately six (6) miles Southeast of Truckee, CA, in Placer County is certified to be installed at a geodetic Azimuth of 250°.

Sincerely,
ANDREGG, INC.

Dennis Meyer, PLS
President
